BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The variety of services provided by the Baptist Children's Homes of Nort Carolina have been increased greatly in recent years. Eastern North Carolina ha shared in this expansion made possible by the generosity of our Baptist people an other friends of the dependent child.

Odum Home at Pembroke has been a vital part to our total ministry for man years. Groundbreaking ceremonies were observed there on September 30, 1976 fo the construciton of a cottage for children, a recreation building and a residence fo the director. We are deeply indebted to a fine host of friends throughout South eastern North Carolina who have responded to the initial challenge by Mr. Joh ewton and Mrs. Harold Deal, business men in Hickory.

The Frontiersmen program at Kennedy Home for boys and girls to participate n Wilderness Group Therapy is meeting with significant success. The Duke Endow-ent has recognized the value of this special child care ministry to the extent of iving us a $75,000 Grant over a period of three years to insure adequate support or this innovative effort. Other child caring agencies across the nation are studying his program.

Due to the fine spirit of cooperation on the part of the First Baptist Church of enderson and member churches in the Cullom Baptist Association, an emergency helter will be opened in Henderson during the month of October. This facility will rovide emergency care for children while plans are being made for longer term lacement or their referral to other helping agencies.

Foster homes have provided excellent care for many of our children since the eginning of this program in the 1930's. Presently Eastern North Carolina has eventeen foster homes licensed to care for twenty-seven children. This program hould continue to grow in the years ahead. Our greatest need in this area is for oster parents who will open their hearts and homes to serve children with special eeds.

The department of Child Development and Family Education is available to ssist pastors and churches in planning and presenting wider services to strengthen, nrich and support Christian family life. Members of the staff are available upon all to provide assistance in planning for day care, family education and related nterests.

We are deeply grateful at the Homes for every expression of interest and means f support provided by our people. Special gifts, income through the Cooperative rogram and the Thanksgiving Offering are vital to our existence. We thank you for very expression of your faith and confidence.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of ur churches, expressed through their support of the Cooperative Program enables outhern Baptists to maintain a growing World Missions Program. The stewardship eme for this year is "Bold Believers in Giving." Through the Cooperative Program e demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total ay of life. This may be referred to as the Christian life style. One man said that as e turned his life over to the lordship of Christ and discovered the demands of iscipleship, he suddenly realized that his house, his possessions, and his occupa-onal skills belonged to Christ literally, and that they were to be used in trust to ccomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life yle. Churches are stewards, too. The church must demonstrate a commitment to e mission task in the use of all possessions if it is to be true to the command of esus. Every church is challenged to increase annually the percentage of its income ven through the Cooperative Program. Churches should consider prayerfully the 5 percentage increase suggested by the state convention for Cooperative Program nd the increase suggested by the association for associational ministries.

Last year, 1126 churches increased their gifts through the Cooperative Program y 15% or more, and 4 associations in our state had 100 percent of their churches iving through the Cooperative Program.

We RECOMMEND:

1. That a stewardship chairman be elected in every church in our association
2. That a stewardship conference or Stewardship Decision Night be held fo interested churches in order to make available to them guidance material for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperativ Program for world mission support, EVERY month.
5. Every church in the association increasing the percentage of the total budge income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the suppor of associational missions, EVERY month.
7. Have a special prayer for some Cooperative Program ministry during ever service in each church during October.

NORTH CAROLINA BAPTIST HOSPITAL

"Christian stewardship" is a phrase frequently heard in staff meeting at Baptis Hospital. The hospital's leadership holds to a philosophy of administration based o stewardship and tries to pass this on to all employees. A continuing effort is mad to help each employee, whatever his particular job, to realize that he is part of team involved in a Christian ministry of healing. The difference this makes in th whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading o medical procedures to assure patients the highest quality care. One of the mos significant recent developments is the creation of a department of Family Medicine This department provides primary health care for a limited number of families, tha is, the kind of all-round, ongoing health care normally provided by a famil physician. At the same time the department offers training in family medicine fo physicians who will enter this field of practice. This will help to balance the tren of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of thei clinical experience in small towns and rural communities under the auspices of th Area Health Education Centers (AHEC), created by the State legislature. It i believed and hoped that some of them will choose to remain in these areas for thei permanent practice.

Improvement of physical facilities is another expression of the hospital's sens of stewardship. In recent months renovation of the west and south wings of th hospital has been completed; construction has been completed on an addition t the water-chilling facilities; construction has begun on a 4-level parking deck i front of Reynolds Tower which will provide approximately 800 parking spaces fo visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward th fulfillment of our stewardship. A chaplain is assigned to each area of the hospita and is responsible for providing a pastoral ministry to patients, staff and visitors i that area. There are capacity enrollments in all phases of the Clinical Pastora Education program. A third satellite has opened in Morganton during the past year

Mother's Day gifts for the fiscal year ending June 30 were $405,946,52, compared to a total of $390,000 for the preceding fiscal year.

DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian ness as Baptists or with BSU on the campuses of North Carolina, we know that cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, mission ortunities, outreach and witness groups, and attempts to make our faith plicable" to college life from Cullowhee to Wilmington. Chaplains will be king to project a ministry to faculty, administrators, internationals, married and duate students as well as undergraduates. Students will give over $7,000 for ssions and send their fellows around the world as witnesses. Baptist faculty and al pastors will join us in teaching, leadership training and deepening of Christian nmitments.

Of equal significance in reaching students, however, will be the work of tors, Sunday School teachers and other committed Christians in the churches m which these persons come. It is our hope to work together in a number of ys during the coming year to strengthen each other and seek even more effective ys of service.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years growth and development. These have been good years, filled with the abundant ssings and goodness of the Lord. He has brought us from one Home, in March of 51, to five Homes and an excellent Nursing Facility, from one resident to 230 idents and patients. Hundreds have been ministered to during these years, many s have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into Fund-Raising Effort to raise $1,000,000 for the construction of the Western rth Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph nnon, beloved pastor, and Trustee of the Homes, was called by the Trustees to ve as Director of Development and Denominational Relations and has been ding the fund raising program for the Western North Carolina Baptist Home in a arkable way. He reports that the response from our Baptist pastors and people Western North Carolina has been most encouraging, and that there is every ication that we will reach the goal. We are grateful not only to those in Western rth Carolina, but throughout the State, for the happy and successful response t we have experienced thus far as we move toward making this additional Home ilable for our older people in one of the most beautiful spots in the world.

When completed, The Western North Carolina Home, in Asheville, will omodate 50 people, and will bring the total capacity of our Baptist Homes and Nursing Care Unit to 280. We now operate five other Homes, and a Nursing e Unit, in Winston-Salem; the Albermarle Home, in Albermarle; the Hamilton use, in Hamilton, N. C., the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ red and underscored. The love gifts of North Carolina Baptists make this istian care and concern possible through two very vital sources—The Coopera- Program, and the Special Offering for the Homes, received on the third Sunday February each year. Through these sources more than 35% of the Homes' total ome is provided, and the majority of the residents who cannot pay the full cost care are supplemented. We are grateful for these life-sustaining gifts and thank ry North Carolina Baptist who makes them possible! Gifts this year, through these sources, are greater than ever before, and if we are to meet the overwhelmin needs of older people in our midst, we must double and triple our efforts, both i numbers ministered to, and in support of them.

Close at hand is another venture in the development of the Homes which we' excited—the building of apartments on the site of the Hayes Home property i Winston-Salem. The first of these units is to be completed by the fall of 197 Those interested in this phase of the ministry of Baptist Homes may contact Bi Poole, the Executive Director, of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to th future, and we covet the earnest prayer and the continual support of every Nort Carolina Baptist as we move ahead in this challenging ministry to older people our midst.

BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The Old Testament prophet Hosea declared, "My people are destroyed for lac of knowledge." Because of a great information void concerning truth, Jeremiah als cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the mo sensitive problems in our churches. Think for a moment—how many problems h your church had that could be traced to a lack of communication? Too mar church members are misled because they are uninformed, poorly informed, misinformed. Churches must take initiative to provide accurate information if wor in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing th RECORDER for each family. When this is done, members become more responsi because they are better informed. Baptists have made encouraging progress recent years through bold mission enterprises and this can be traced to bette informed church members. Stewardship gains also go hand in hand with bett communications. As an example, 79 of the 80 churches which led their association in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision send the RECORDER to each family. Although nearly 1,100 churches in the sta have the RECORDER in the budget, at least 500 more churches should take th step. Such action could be the difference between mediocrity and greatness in yo church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Tex., urges Baptists to "stay with the state paper. Increase its circulation. Send it to the hom of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person interpret the value of Baptist state papers, said: "The investment any church c make in furthering the Kingdom of God is to put the Baptist state paper in t homes of the membership. These papers are the packhorses of every phase denominational life.

If this "packhorse," meaning the RECORDER, is not going to every family your church, may this be the year that you take this step.

AMERICAN BIBLE SOCIETY

The Bicentennial of the American Revolution is here, and churches across t country are planning how they will participate in this great celebration.

The American Bible Society can help them. Forty years younger than o

ountry, the ABS (born in 1816) grew up with the new nation and made sure that
s citizens always had available copies of God's Word to guide them. Pilgrim to
ioneer, farmer to factory worker,—the ABS was ready with the Word for everyone.

Today the goal of the ABS is the same—the translation, publication and distri-
ution of the Scriptures in the language of the people without doctrinal note or
omment and without profit. As a vital resource agency to the churches, the ABS
orks with the United Bible Societies around the world to provide the Scriptures to
iore people than ever. At least one book of the Bible has now been translated into
577 languages, and the number of Bibles, New Testaments, Portions and Selec-
ons distributed throughout the world annually runs into the hundreds of millions
f copies.

A milestone in the development of the common language translation will be
ached late in 1976 when "The Good News Bible," the entire Bible in Today's
nglish Version is published. To be released during the 160th anniversary of the
merican Bible Society, this translation will be the Society's Bicentennial gift to
ie people of the United States.

During 1975, the ABS supported 562 translation projects around the world.
ighlights of these projects were the publication of the New Testament in Today's
hinese, and the completion of the New Testament in Today's Arabic.

The dilemma of the new reader unable to improve upon his reading skills for
ck of suitable materials is a problem all too familiar to the Bible Societies.
overnmental programs aimed at improving literacy are falling short of their goals.
he Societies therefore realize that if "bridge materials" such as Good News for
ew Readers Scripture Literacy Selections are not available, most of these new
aders will return to illiteracy and may never again have the opportunity to read
od's Word.

This is where Good News for New Readers can help. Its New Reader Scripture
elections, translated in several progressive reading levels, take a new reader from
ie primer level to a reading skill that will enable him to understand Scriptures
vailable in his or her own language.

Scripture distribution in the United States during 1975 reached a total of
09,469,781 copies. This represents an increase of 11,181,000 over 1974.

Taking advantage of opportunities for distribution when they arose the ABS
ached many individuals, churches and other local organizations with copies of
ripture. One such opportunity came with the start of America's Freedom Train
a 21 month, 17,000 mile journey around the U. S. At stops along the way,
iends of the Bible Society presented copies of Scripture to the city's citizens,
ficials, as well as to visitors.

Nearly ten years ago the new translation of the New Testament called "Good
ews for Modern Man" was published to be used especially in evangelistic outreach.
n the eve of its tenth anniversary, distribution of the New Testament in Today's
nglish Version has passed the fifty million mark, an achievement unmatched in U.
paperback publishing history.

Members of the Bible-a-Month Club continued their support of Bible Society
ork in 1975. By year's end, more than 226,000 members were enrolled helping to
t the Word into the hands of those who need it.

The ranks of ABS Volunteers continue to swell. The number of men and
omen serving the ABS now stands at 14,367. They are at work in all parts of the
untry, bringing Scriptures to churches, hospitals, nursing homes, schools and
isinesses. Volunteers now operate 1,347 Scripture Courtesy Centers, with at least
ie Good Newsstand in each of the fifty states.

A highlight of last year's activities was the presentation of a specially embossed ship's pulpit Bible to the commanding officer of the nuclear aircraft carrier US Nimitz. The ABS has placed more than 20 million copies of Scripture in the han of men and women serving in America's Armed Forces since 1817.

For the American Bible Society and its sister organizations around the worl 1975 was a year of outstanding events and developments. However, inflation h continued to hamper the progress of Bible Society activity.

Contributions from churches in 1975 increased 9.4 per cent over last year to total of $1,453,920. For this the American Bible Society is especially gratefu Nearly 16.5 per cent of this total is represented by the support received from t Southern Baptist Convention.

The Southern Baptist Convention can help the Bible cause in 1976 by strivi for a level of support of $.03 per member per year. This increase of just $.01 ov the present level of support would provide a total of $350,000, helping significant to take advantage of today's opportunities for sharing the Word, and fosteri growth in ABS programs, particularly in the Good News for New Readers progra

We ask you continued prayers, that the Bible Society, in partnership with t Southern Baptist Convention and with all willing Christians may fulfill m effectively its task of bringing the Word of God to all those who ask for it and ne it.

Respectfully submitted,
Rev. Willis Walker

EVANGELISM REPORT

All churches have already received the booklet: GROWTH EVANGELISM: Evangelism Planning Calendar for Pastors of Churches–1976-77. It contai suggestions for various evangelism emphases for the local church for the comi new year including C.A.R.E. Revivals for 1977. The pastor and leaders of ea church are encouraged to outline definite evangelism plans with adults and you during 1976-77.

There was an overflow in attendance of more than 2,600 pastors and persons at the 30th Statewide Evangelism Conference at the Civic Center Audi rium, Asheville-February 2-4, 1976. The theme was "Freedom in Christ." T response from many persons indicated that this conference was one of the best several years.

Lay persons and pastors continue to respond to the emphasis on lay witn training through Lay Evangelism Schools. During the past 4½ years, 14,284 yo and adults have participated in these schools from 1,150 churches and 62 asso tions. During the last evenings of the 62 weeks of schools there have been professions of faith made by youth and adults in their homes.

About 525 youth and adults attended the Youth Ministry Week–J 14-18–at the North Carolina Baptist Assembly with the emphasis on yo evangelism, vocational guidance, and recreation. Fifty-three different types decisions for Christ were made by youth.

12,000 youth, pastors, and adult leaders are expected to attend the 6th St wide Youth Evangelism Night–August 13–at the Greensboro Coliseum. B Wood of Lubbock, Texas is the guest preacher, and Larry McFadden of Gaines Florida is the guest solosit. Follow-up work by pastors and adults is always with youth who make decisions from communities across our state.

Two summer youth evangelism teams are directing youth revivals and y witness training in eighteen churches across the state for a one week period in hurch. Already there has been an excellent response and youth are making ecisions for Christ.

The Division of Evangelism is continuing to cooperate with the Brotherhood epartment in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on ur phases: Leadership Family; Touch Ministry: Discipleship Groups; and Joy xplosion. W.O.W.—Win Our World—is included in this strategy and involves ecific witness training for youth.

Good reports have been received on evangelism clinics in associations, revival eetings and city-wide crusades during the past months.

The 31st Statewide Evangelism Conference will be February 7-9, 1977 at the ar Memorial Auditorium in Greensboro.

The Association sponsored a Simultaneous Revival crusade in the spring with ost of the churches cooperating. This was a wonderful experience with much enefit resulting. The churches were brought closer together in fellowship and any decisions were made. It left the churches stronger and closer.

Respectfully submitted,
Rev. William Jones

SUNDAY SCHOOL REPORT

I have served as Director of Sunday School since Oct. 1, 1975 to June 1976, hen it became necessary for me to resign.

During this period a Sunday School Enlargement Campaign, previously cheduled for the association, was conducted in the spring bringing about an wareness of a variety of leadership, and possibly expansion of facilities and service.

Several churches began immediately to re-arrange Sunday School rooms and to hange teaching practices. An example: prior to the pastor, Rev. William Davis, eaving the Trenton Church, a three night clinic was held for Sunday School orkers of all age groups. The association is indebted to the many fine and edicated workers that came from all across the state to help in this Enlargement ampaign.

Early in October an Associational Leadership Clinic was held at First Baptist, ew Bern, for all Sunday School workers; not many attended, but fruitful rospects were planned by those who did attend.

The Baptist State Convention conducts a vacation Bible School Clinic each ear. It was held at Wingate College in March. Seven pastors and two church staff embers attended. This was one of the finer such clinics in presentation and spirit.

A day and night clinic was held in the association at the Cherry Point Church y those who had gone to Wingate for preparation. This was a record attendance or such a conference. Based on the evaluation by those attending, the clinic was ery profitable, and much information was taken back to the churches that resulted n better and more effective church schools. Only each church can testify to its ains during the year. The results have seemed to be contagious to the on going ork in the churches of the association.

STATE MISSIONS

The churches are on mission to people under the Lordship of Christ—Matthew 8:19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond he local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, and Home and Foreign Mission Boards. There a ministry of State Missions expressed in evangelism through the local churc youth rallies, summer ministries, Church Programs, and Stewardship promotio State Missions is Christian Social Service expressed through institutions. Sta Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one loc church. These ministries to areas of need may be altogether supported by Sta Missions budgeting, or a cooperative budgeting arrangement of the local church, t association, the State Convention, and the Home Mission Board. Such specializ ministries include work at Cherokee and Pembroke, promotion and coordination World Mission Conferences, supplement to associational budgets, support of pa time Chaplaincies in several Orientals and Spanish speaking peoples. A specializ ministry to the deaf includes evangelizing, teaching and counselling the deaf.

Also included is a cooperative plan for Seminary extension and a rapid growing Resort Ministry. Fruitland Baptist Institute is an area of State Missio Our cities need Baptist Centers and other expressions of Christian social a evangelistic concern. State Missions continues a specialized ministry with oth races and promotes and supports a vigorous inner city ministry.

State Missions serves the pastor and local church. New churches are encourag by loans and grants of lot aid. Needy churches are given financial aid until they c become self-supporting. Pastors are directly helped through Annuity supplemen

State Missions is a cooperative ministry to churches that need help and people who need God.

1976 has been a year of cooperation. The celebration of the American Bice tennial emphasized the cooperative spirit of this nation. What Americans share common outweighs their diversity. We are a United States because we are cooper tive states.

Cooperation and diversity are cherished principles among Baptists. One hu dred forty years before the nation's beginning a Baptist leader, Roger Willian opposed coercion in matters of religion. The broad principles of religious libert later guaranteed to all Americans, led to the founding of Rhode Island. Three yea later, in 1639, the First Baptist Chruch in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We ar a state convention of 3,458 autonomous churches coming together . . . “to promot missions, evangelism, education, social services.” (Constitution, Article II). Th Convention was founded for missions. It is held together because of missions. An its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state o State Missions strongly affects the state of Home and Foreign missions. Missio programs in distant areas depend upon the strength of the “sending churches” bac home. Overseas and national missions look to the churches for prayer, concer missionaries, and money. To be weak on the “home front” is to be even weaker i distant lands.

During the past several years State Missions has emphasized programs t strengthen church and association ministries. Two important emphases are Bibl study and leadership training. A strong Christian education program is the bac bone of mission support. Sunday School, Church Ministries and Training, Churc Music, WMU, and Brotherhood are wholly committed to these tasks.

A second major program of State Missions are the “direct mission” ministrie These programs lengthen the churches' concern across the state, representing you i areas where the church does not serve. The ministries include Deaf Missions, Reso Missions, Student Missions, Chaplaincy and Language Ministries, Christian Soci

Ministries, and Interracial Ministries.

Cooperation in Baptist Missions is also evident in the way the programs are onducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majori-y of Home Mission projects in North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, pproved by the 1975 Baptist State Convention, is as follows:

$175,000	Basic State Mission Budget
43,000	Fruitland Classroom Building
72,000	Caraway Conference Center
10,000	Special Mission Projects
100,000	Baptist Assembly (Caswell)

REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

The Associational Missions Committee of the Atlantic Baptist Association is rectly responsible to the Association through the quarterly meetings of the Exec-ive Committee, and works in close cooperation with the Director of Missions.

The Committee has been active during this associational year in the following eas of missions.

1. NEW MISSION WORK: Under the sponsorship of the Newport Baptist Church and in coordination with the Missions Committee, a mission work has begun in the proximity of Cape Carteret. Assuming the Lord blesses this work and upon the organization of this mission as a Church, the Association shall consider whether to deed the Association-owned Cape Carteret property (designated for a Baptist church) to this new fellowship.
2. PROPERTY COMMITTEE: Charged with the responsibility of locating a suitable land site for the Associational office, the Committee has been active through the year. At the September Executive Committee meeting the Property Committee presented a specific recommendation in hopes of soon seeing more adequate housing for our Associational work with possibilities for expanded ministry in the future.
3. SIMULTANEOUS REVIVALS: Simultaneous revivals were held in the Spring of 1976 with 26 association churches participating.
4. RESORT MINISTRY: Five churches and one mission conducted weekly resort ministry during the recent resort season. This expression of mission concern is a new and exciting development in our associational program.
5. DISCIPLESHIP CONFERENCE: Conducted during January 1976, this conference was led by Dr. Mark Corts with approximately 100 persons in attendance.
6. MIGRANT MINISTRY: Seven churches conducted weekly migrant ministry during the recent summer months. Approximately fifty professions of faith in Christ resulted from this meeting.
7. WORLD MISSIONS CONFERENCE: Plans for the February 27-March 4,

1977 World Missions Conference have been made and we await this event with prayerful expectation.

REPORT OF THE DIRECTOR OF MISSIONS

The year 1976 has been a good year. The blessings of God have been evident in this great and important work of associational missions in the Atlantic Association Any work of God is slow and results seem long in coming, but the work of the Holy Spirit is certainly evident in this area. Only two of the churches do not have pastors. The pastors we do have are men of high Christian caliber and excellent training. One would be hard put to find and group of men as outstanding as are our pastors. These men are cooperative in the associational missions work, and with the State and Southern Baptist Conventions.

Missions are the cutting edge of the church, and the cutting edge must begin closest to the local church. The churches are reaching out. More and more of them are seeing the responsibilities around their own doors instead of looking over there to the foreign fields. Seven of our churches carried on an active and effective resor ministry this year, working at the campgrounds from Easter through Labor Day. So far as we know, every migrant camp had a spiritual ministry with several professions of faith. The churches are beginning to see the total picture of missions more and more. This is evident as more and more churches increase their offerings through the Cooperative Program and the special mission offerings. Several new WMU's were begun, with men and boys work also having made gains. An outstanding Royal Ambassador conclave was held that reached many men and boys.

Simultaneous Revivals were held that were very effective. A Sunday School Enlargement Campaign was carried out that proved to be a great help to the churches.

The two new churches, Calvary and Colony, have had great growth, with both churches entering into the life stream of the association. One new mission was begun at Cape Carteret. This mission needs our prayers and support.

The fellowship in the association has been a real blessing to us all. We see this manifested as churches become concerned about one another, and pray for and support one another.

A greater concern for Leadership Training has been observed. This is one of our greatest needs. When this is done properly, other things will fall into place Churches are beginning to realize that the most effective leadership training must be done on the local church level.

The sense of need and urgency for a new and more useful associational office is continuing to grow. We believe this will become a reality.

I want to express my deep appreciation for all the support and help received not only from the churches, but from the many pastors and laymen who have helped and encouraged me in this important work. It is understood that without your help, support, and the leadership and power given by the Holy Spirit, nothing constructive or permanent will be done. To each of you, thanks, and to God be the glory.

Sincerely,
H. A. Privette

WOMAN'S MISSIONARY UNION REPORT

Laborers together with God is what the Woman's Missionary Union is all ab

It was in 1800 that the first Woman's Missionary Society in the world formed. This did not just include Baptists. Later, in 1813, Luther Rice retu from India and started the cry for the Baptists in America to organize for miss The women heard the cry and a great mission adventure was begun.

Christ said, "Go ye into all the world . . ." There must be organizatio accomplish this, and for this reason Woman's Missionary Union was formed.

Thirty two churches in our Association have some form of W. M. U. orga tion. There are: Mission Friends, Girls in Action, Acteens, Baptist Young Wo

Baptist Women.

A workshop was held for the W. M. U. leaders of the Association and was ducted by the new slate of officers. These officers attended a workshop at nda Vista to prepare themselves for these classes.

The Baptist Women held two prayer retreats. Both were well attended. Special phasis was placed on the Weeks of Prayer and Mission Studies. Your Director Baptist women taught several study classes. They were also represented at the M. U. State Convention.

Several of the Baptist Young Women attended retreats at Ridgecrest and nda Vista. The Acting Director visited BYW groups and stressed the program.

The Girls in Action were busy as usual. A day camp was held at the Morehead t Church. There was a very good attendance. Coronation services were held in eral churches. These services are a real inspiration.

The young ladies known as Acteens are getting ready to be the ladies of orrow in W. M. U. The training they are receiving cannot be measured. They d regular quarterly meetings, getting together with other churches.

Mission Friends are receiving knowledge of the Bible, how to play with each er, and stories acquainting them with our missionaries and missions. "Train a d in the way he should grow." This is Missions Friends way.

Your Directors have been willing to go wherever needed. If you failed to have m this past year, invite them in the new year. They are for you to use.

Just thinking as I often do. It's wonderful knowing people like you.

Respectfully submitted,
Mrs. W. D. Lee, Sr., Director

TEMPLE BAPTIST CHURCH HISTORY

Temple Baptist Church began as a Mission of the Tabernacle Baptist Church i New Bern, North Carolina in 1955. Within months the Mission was constituted b the Atlantic Baptist Association into a full time church. The church was starte with 58 Charter Members. It was immediately evident that the Holy Spirit was i this adventure of faith. Under the leadership of those dedicated Christians wh came from the mother church and pastors of Temple the work of the Lord gre rapidly. The mission was first started in a small wood frame building which serve as the media of Worship and Christian Education for approximately five years. I 1960, a parsonage was purchased for the pastor and his wife. The Holy Spiri continued to increase the fellowship and thus through another adventure of fait Temple undertook their first large building program and in 1960 the congregatio moved into a Santuary-Education Complex. It was a happy and joyous occasion the group was able to see how God had blessed them as they worked under th leadership of the Holy Spirit.

The fellowship of the church was not content to become stagnant or to b pleased with the accomplishments that had been obtained but continued to see the will and leadership of God. Because they were open to God's leadership th fellowship continued to grow to such a degree that once again the fellowship w confronted with a need for larger facilities, so once again the congregation w called upon to enter into its largest adventure yet undertaken. Through months study and preparation the church voted to enter into a Bond Program for th purpose of erecting to the Glory of God a new sanctuary at a cost of $150,00 Because of past experience of placing faith in God they felt confidence to contin in this new endeavor. They chose as their theme "Let Us Rise Up and Build." It w felt that it was God's will and to be in His will is no gamble at all. On Easter Sund 1968 Temple Baptist Church held its first service in the now present sanctuar From the very beginning it became evident that the membership of Temple Bapti Church had a unique fellowship. There radiated warmth, friendliness, a swe fellowship and above all an awareness of what God can do through committed live This unique fellowship has contined throughout the church's growth. The congreg tion is a closely knit group of co-workers in the Lord's work. Because of th tremendous spirit other Christians and Non-Christians were attracted into its fello ship and thus the church continued to grow. The church has always been intereste in needs and problems of its young people, therefore in 1969 a definite You Program was established and has grown. The church in 1971 purchased an activi bus to be used by the Youth or church groups for special activities. The church now being confronted with a new and welcomed problem which is a need f adequate parking. The only solution was to acquire more land which the church d by purchasing two houses next to the church in 1972-73. It is the purpose of t church to move these houses and together with a piece of property (located behi acquired property) to make a church parking lot.

In 1973 the church entered into a new ministry of outreach. Again the chur felt the leadership of the Holy Spirit and thus organized a program of B Evangelism by purchasing two more buses. Another part of this program was t establishment of a graded children's worship program that runs respectively wi the morning worship service.

Bus Ministry has added greatly to the outreach and growth of Temple. By 19 we had seven buses. Also the church added a part-time staff position, minister evangelism, to help with the needs and growth of Bus Evangelism and Childre orship. God continues to lead and bless and growth has been the result. In 1975, e church purchased the property of Fashion's Cleaners which we renovated into dditional educational space. This new property is used for Sunday School classes, hildren's Worship, Bus repair shop and additonal parking.

In October 1976, the church under the leadership of the Holy Spirit, added its cond full time staff member. The church called an associate pastor with definite sponsibilities in the area of Youth and Education.

The Church has been blessed by the leadership of God not only through its equate membership but by its men of God in whom the Lord sent their way. The urch is grateful for the services rendered by our two former pastors and its now esent pastor.

AMERICAN BIBLE SOCIETY

The "Good News Bible" is here! In the fall of our Bicentennial year, the American Bible Society completed and published the "Good News Bible" in Today's English Version. This is the culmination of years of precise, painstaking translation work. It makes available for the first time, a faithful translation of the sacred text in a style of language readily understood by most people.

It was in November, 1961 when the Reverend M. Wendell Belew wrote to Dr. Eugene A Nida indicating a need for Scriptures "translated for the fourth grade level." A month later the project was underway under the direction of Dr. Robert G. Bratcher, a Southern Baptist. The New Testament was published in 1966. Acceptance of this common language translation was widespread and immediate. However, nowhere was there more enthusiastic reception than from Southern Baptists. The General Baptist Convention of Texas immediately made plans t distribute over one million copies. Such reaction made the translation of the whole Bible imperative and led to the publication of the "Good News Bible" in December 1976.

The purpose of the American Bible Society has remained unchanged throughout the years—the translation, publication, and distribution of Scriptures without doctrinal note o comment and without profit. Since 1816 the American Bible Society has been making God's Word available to spiritually hungry people everywhere. At least one book of the Bible has been translated into more than 1,600 languages as of December 31, 1976.

Here are a few highlights of what the American Bible Society and its partners did in 1976 t meet the challenge.

GOOD NEWS FOR NEW READERS—THREE YEARS AND STILL GOING STRONG

Just over three years ago, GOOD NEWS FOR NEW READERS was launched in Addis Ababa Ethiopia. The goal of the Bible Societies was to provide Scripture Portions and Selections or graded levels for new readers in 100 languages. By the end of 1976 work had been undertake in 286 languages.

TRANSLATION AND PUBLICATION UPDATE, 1976

A major item in the budget of the American Bible Society is translation of the Scriptures At present, the Bible Societies are giving help directly and indirectly in 560 languages. Fifty two of these translation projects are in Europe.

AMERICAN BIBLE SOCIETY ACTIVITIES—U.S.A.

SCRIPTURE DISTRIBUTION—Scripture distribution in the United States during 197 reached a total of 114,769,046 copies, an increase of 5,229,265 over 1975.

SCRIPTURE IMPRINTS—In 1976 the American Bible Society produced 15,227,850 Scriptur imprints.

BIBLE SOCIETY ACTIVITIES ABROAD

Here are just a few of the ways the American Bible Society is assisting the missionary activities of the Southern Baptist Convention:

BRAZIL—The GOOD NEWS FOR NEW READERS Scripture Literacy Selections are widel used by MOBRAL, Brazil's literacy organization, with the newly literate. They are now available in two languages, Kaingang and Portugese.

INDONESIA—Two training seminars were held for the New Reader Program in Central and Eastern Java. There were 700 teachers in attendance at the seminar in Central Java representing Catholic, Protestant, and government schools. 100,000 children were involved in these programs.

EASTERN EUROPEAN UPDATE—In spite of unique and difficult obstacles, the Bible cause in Eastern Europe is advancing. At present there are 12 translation projects underway in these countries. In the last decade, over five million Scriptures, most of them complete Bibles or New Testaments, have been distributed throughout Eastern European countries.

EUROPE—The European Baptist Rederation has proclaimed 1977 as the "Year of the Bible" for Baptist Churches in Europe by asking its members to emphasize Bible Reading in their churches through the year.

The Bible Society asks for your continued prayers that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

ANNUITY BOARD REPORT

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more that $158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which eflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and nsurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

In North Carolina as of March 31, 1977, 2787 staff members of 2196 churches and associ-tions are participating in the Southern Baptist Retirement Program; 2491 in the Family Benefit ection; 1275 in the Age Security Section and 240 in the Variable Benefit Section.

At this present writing, 24 of our 37 churches are participants in the Annuity Plan of the Southern Baptist Convention. This includes churches now without pastors and Director of Missions for the association. Other churhces are encouraged to enter this Plan for the protection of pastors and especially wives in the event of a pastor's death.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED EASTERN AREA REPORT

Baptists of North Carolina provide a ministry of love and care to children, young people and heir families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions. . .reaching out with a elping hand; it is evangelism. . .sharing the joy of life in Christ; it is love and affection. . .the iving of hugs and kisses and friendship; it is education. . .teaching an appreciation for the ner things in life; it is restoration. . .enabling families to function again.

CAMPUSES at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; nd Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

FOSTER HOME CARE, a statewide program of the homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

EMERGENCY SHELTERS at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

ODUM HOME construction made progress during the past year. The Sara Catherine Deal Recreation Building and the residence for the resident director have been completed and were dedicated on September 30, 1977. Excellent progress is being made on the Indian Memorial Cottage which is being financed and constructed by the Indian people of Pembroke and surrounding area.

SOCIAL WORK AND FAMILY RESOURCE CENTERS enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

THE CHILD DEVELOPMENT CENTER on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

THE COOPERATIVE PROGRAM AND THE THANKSGIVING OFFERING will be extremely important in enabling us to continue these basic and essential ministries to children and their families. We encourage and welcome churches and individuals to visit any of our facilities and to see for themselves how meaningfully this great mission effort is being conducted to honor and glorify Christ.

BAPTIST HOSPITAL

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this threefold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's outpatient department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministires, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at e association level and the state convention level, as well as in their local churches. For the ast five years hospital personnel have assisted in Cooperative Program promotion in at least vo associations each year. Staff members are pleased to do everything possible to strengthen e denominational tie, believing that this tie adds a dimension to the ministry of healing, aching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a tal of $405,946.52 for the preceding fiscal year.

We had a total of 24 churches contributing $2,765.65 from the Atlantic Baptist Association.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before r people for the remaining 23 years of the 20th century. It has been called "Bold Missions rust," and the success of the venture is yet to be determined. There is no doubt concerning e importance or the motivation for the undertaking, but there is uncertainty as to whether e motivating message will be successfully communicated to some 13 million Southern Bap- ts, and to our more than 34,000 churches. Without adequate communication channels, the gram cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and thrust is confronting all human beings everywhere with the gospel, and affording them the portunity of knowing and trusting Christ as Saviour, and then leading them to understand- of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to ke it successful. Not since Jesus presented his disciples the goal of going into all the world such boldness been demonstrated.

he most difficult problems faced in our churches are related to communications. When ople are uninformed, poorly informed, or misinformed, they get into trouble. When they ow what is taking place in their local congregation and in the denomination, interest is erated and cooperation results. Openness is therefore important, and the purpose of the LICAL RECORDER is to keep Baptist church members informed concerning involvement heir denomination, and in the Christian world.

n light of developments presently underway in our denomination, it is important that every tist church member in N. C. receive the BIBLICAL RECORDER weekly. Already more than 0 churches in our state are providing through their budgets for the RECORDER to go to all dent families. The Southern Baptist Convention has adopted a circulation goal of eight ion for state papers by 1980. The SBC believes that every Baptist family ought to be receiv- its state Baptist paper. RECORDER circulation approaches 120,000 but should be in- sed in the immediate future of 150,000.

your church is not sending the RECORDER to resident families at the present time, ar- gements should be made immediately to do so by incorporating it in your church budget. ting less than half the price of a postage stamp per issue, it is delivered by U. S. mail ctly to your home address.

e RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you vide the RECORDER for your resident families. It is the most widely read piece of literature ived by North Carolina Baptists. No investment pays greater dividends.

EVANGELISM REPORT

e Pastor's Evangelism Planbook 1977-79: EVANGELIZING AND CONGREGATIONALIZ has already been sent to all churches. It includes various emphases on The Evangelistic

Church on Bold Mission. Additional information on this theme will be shared with past
and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference
the War Memorial Auditorium, Greensboro, during Fegruary 7-9, 1977. About 2,400 past
and lay persons were present to hear the challenging messages of the evangelistic speake

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth M
istry Week—June 13-17, and many different types of decisions for Christ were made public
youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders attended the 7th Statewide Youth Evang
ism Night—August 19—at the Greensboro Coliseum. Jim Wilson and Larry McFadden
Orlando, Florida were the guest preacher and soloist. All youth who made decisions for Ch
were contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state had one week youth revivals and youth witness traini
under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the de
sions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangeli
Weekends in various churches. The Division of Evangelism cooperates with the Brotherho
Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which
cludes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy
plosion. W. O. W.—Win Our World—has to do with specific witness training for youth in
local churches.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent ye
with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More
persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in asso
ations across the state. Good reports on revival meetings and city-wide crusades have be
received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditoriu
Greensboro, on February 6-7, 1978.

EXECUTIVE COMMITTEE REPORT

Having left all my notes from the Executive Meetings with the Vice Moderator, it is diffic
to write a specific report from a distance. However, I recall that the Atlantic Baptist Asso
ation made significant advances in the past year, having completed the purchase of land
an Associational Office facility. We look forward to rapid progress on the planning and bui
ing of a Baptist Building of which the people will be proud, and the Lord honored.

One new church was constituted during this year, The Cape Carteret Church. This refle
the Bold Mission Thrust of Baptists in this Association on the local level, and is seen in
greatly increased mission giving on the State, Home and World levels also.

There were several excellent meetings held this year in the Association for Sunday Sch
Improvement, Evangelism, and for Church Leaders. The beginning of a Semi-Annual meeti
will prove helpful to the churches by keeping them informed, involved, and by stressing a m
jor church program at each semi-annual meeting. The emphasis for this year was on Stewa
ship.

The lasting impression which I carry of Atlantic Baptists is that they are God's choice pe
ple, and our prayer is that the marvelous spirit of harmony and Chrisr-like compassion for
people will continue to grow. I would also encourage the support of all the churches for
Director of Missions, the Moderator, and every officer you have elected to serve this comi
year.

October 1976—July 1977

MEDIA CENTER/LIBRARY REPORT

As this is a new work in our Association, rather than a report this will be a brief look at what vill try to be accomplished by the Director of Media Center/Library Services.

The needs and interests in this area must be determined. In order to meet these needs, ome work will be done on an individual church basis although there will also be several as- ociational meetings of Librarians.

Hopefully, we can show what a Media Center/Library can mean to a church, enriching the eaching and creating an interest in individual study.

Also we will try to make the people aware of the sources of Media available to them hrough the Associational Office and also the State Convention Office.

ASSOCIATIONAL MISSIONS COMMITTEE REPORT

Working in close cooperation with the Associational Director of Missions and the Executive ommittee of the Association, your Associational Missions Committee has been actively in- olved this past year in several areas of significant mission endeavor. SPONORSHIP OF A MINNESOTT MISSION WORK SOUGHT. Concerned about the ab- nce of a Baptist witness in the rapidly developing Minnesott Beach area, the Missions Com- ittee authorized contact with each member church of the Association and with the Baptist ate Convention seeking a sponsoring church and aid in this endeavor. THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

I. STATEMENT OF PURPOSE

The establishment of the North Carolina Baptist Foundation as an agency of the Baptis State Convention of North Carolina was approved in 1919 and chartered in 1920. Th objectives of this agency of the Convention were clearly stated in its charter:

"1. To promote the making of gifts. . .for the causes and objects fostered by the members of the missionary Baptist denomination in the State of North Carolina, in thei cooperative undertakings, and to provide a way of securing greater uniformity o purposes, powers, and duties of administration in the management and distribution of the gifts so made;

"2. To receive, own, hold, administer, and distribute gifts of any kind. . .to be used fo the promotion of the Missionary Baptist cause in general or any specified object o The Missionary Baptist Denomination . . ."

The Foundation continues to strive toward fulfilling the objectives stated in its charter In so doing it will serve more as a trustee than as a foundation, as foundations ar presently defined. As trustee, the donor or benefactor makes decisions relative t specific or general recipients of trust income.

II. GROWTH

The growth of assets held was slow in the early years and reflected directly the amoun of time given to promotion by lay volunteers interested in the endowment of Christian ministries of the Convention. At no time in its history has the Foundation idea lacked respect of denominational leadership in that it was undergirding the financial suppor of all Baptist mission endeavors. As the Convention became strong financially, it provided the operating funds that permitted the Directors in 1962 to employ its firs fulltime staff member, C. Gordon Maddrey of Ahoskie and Raleigh.

III. ORGANIZATION AND OPERATION

The Foundation is the only agency or institution receiving its total operating budge from the Cooperative Program. Its fifteen member Board of Directors is elected by th Convention, three each year selected for five year terms. The Directors through an Executive Committee has responsibility for reviewing budget needs and recommendin its request to the General Board Budget Committee.

The emphasis of the Foundation is STEWARDSHIP. We seek to create an increase awareness of and interest in a total Christian commitment as it involves life and possessions. Certain aspects of our efforts are simply interpreting the Christian tenets regarding one's trusteeship of God's gifts. Other factors in our ministry involve technical an legal matters as they pertain to estate planning and distribution of assets. An understanding of these principles provide opportunities for individuals to become bett stewards.

The Foundation provides a unique channel for persons to provide tangible financi assistance for all Christian ministries fostered by Southern Baptist—FOREVER—b naming the Cooperative Program as beneficiary of trust funds. This option, of course, one of many. The specific institution or mission cause may be named as trust benefic ary or any combination of these.

IV. METHODS USED

There are three prime methods now utilized through which gifts of possessions can b transferred to benefit Baptist endeavors. The most frequently used, and the source most assets now held by the Foundation, is the testamentary gift. The charitable r mainder trust has proved to be a valuable instrument to encourage lifetime transfers assets. The third method is through the living charitable trust.

The testamentary gift is simply the transter from an estate to the charitable cause b statement in a will.

An outright gift of assets, where income or principal is immediately available f charitable causes, provides many benefits both to the donor and to the ministry bei supported. In some instances, the residual estate to heirs can be increased through th method of giving.

Any new endowment, as administered by the Foundation, will provide permanent financial assistance to our institutions as well as the total Convention mission. As many individuals have stated upon establishment of a trust, they feel that they have become part of what they are supporting. One Director of Associational Missions expressed with determination, when sharing the Foundation report with the 1975 Baptist State Convention, "Through our investment in the Foundation that supports the Cooperative Program permanently, we now ARE the Cooperative Program."

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education
rough the support of six colleges and one university: Campbell, Chowan, Gardner-Webb,
ars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year,
,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was
493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and
her church vocation volunteers. In the fall of 1976, there were 846 persons preparing for
urch-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors
d other other church leaders are urged to encourage the youth from Baptist churches to at-
nd a Baptist college. During 1977, the pastors have given the names of more than 6,000
ospective students to the colleges through the Council on Christian Higher Education.
ese students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of finan-
l assistance. Each of the colleges pledges to assist needy students financially in order to
ake available the educational experience at a Christian college. An offering is received on
ther's Day each year to provide aid for North Carolina Baptist young people. Students who
ed to apply for financial aid should make application to college early in the junior of high
hool. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support
ough the Cooperative Program. The colleges reaffirm their support and partnership in mis-
ns with the churches, and offer the services of faculty, students and other campus
ources to make the Bold Mission emphasis of Southern Baptists a vital and successful min-
y.

CHRISTIAN LIFE AND PUBLIC AFFAIRS

he Christian Life Council majored on two aspects in 1977—the family and legislative
ues. W. Douglas Cole became director of the Christian Family Life Department January 1,
77. Under his leadership, the Council sponsored marriage enrichment retreats, minister-
e retreats, parenting workshops, conference for engaged couples, sex-education con-
ence and promoted the National Single Adult Conference at Ridgecrest. In addition, many
cts on the family were printed and distributed among North Carolina Baptists.

ince the General Assembly was in session during 1977, the Council was involved on a
mber of issues. Some of the issues were assigned to the Council by the Convention. Other
ues were suggested by the twenty persons who comprise the Council. Some of the legis-
ve concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights
endment, chaplains for prisons, etc.

he Council also sponsored a state-wide workshop on death and dying, particularly as it
ted to euthanasia (easy death) or, as it is commonly called, "Mercy Killing."

umerous calls from Baptists for help on social issues keep being received and responded
The Council attempts to provide information on how to apply one's Christian faith to eve-
ay life.

America suffers from a crisis in morality and integrity. Only as Christians live out their fa will a lost world be improved and changed. To that end the Christian Life Council is de cated.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the full and most exciting in the twenty-six years that the Homes have been ministering

Of keenest interest was the ground-breaking service for the new Western North Carol Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last Octob when more than a thousand people from our Western North Carolina Baptist Churches, well as many others throughout the State, were present. It was a thrilling moment inde when Trustees, Staff, and Residents of the Homes, Pastors, and other Church Leaders latch on to ropes, attched to a huge bulldozer, pulled together and helped to move the first dir the site, heralding the beginning of the construction of your sixth Baptist Home for the Agi

Construction is now underway for this lovely Western North Carolina Baptist Home, whi will initially accomodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Bap Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through Cooperative Program and through the third Sunday of February Offering. These sources s ply 35% of the total budget of the Homes and are used continually to supplement the car the majority of the residents who cannot pay their full cost of care. They are love gifts ind and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans ar the making for an accelerated ministry in our North Carolina Baptist Homes that will touch ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever bef The future of our North Carolina Baptist Homes is as bright as the promises of God, and that future, the Lord, and these older people in our midst, will be looking to you to shar meeting the needs as we reach out and serve more of these dear ones who desperately n help.

THE RADIO AND TELEVISION COMMISSION REPORT

The past year has been a high water mark in the history of the Radio and Television C mission. The videotape production sound stage and training theater were completed and television department and related work were moved into the new 32,599 square foot com in September, 1976. Dedication services were held in April, 1977.

Technical equipment for the videotape center has been received and is being installed- corders, cameras, switcher, lights, and duplicators. Production is expected to begin by fall.

The evangelistic thrust of the Commission is being felt throughout the nation with launching of the two quarter-hour television series during the first quarter of 1977. In " Athletes" the claims of Christ are made through the testimonies of athletic stars represen many different sports. Usually "Listen" will be shown in conjunction with "The Athletes." Charles Fuller of Roanoke, Virginia, is host and narrator on "Listen," which features a va of contemporary subjects and closes with a strong Christian appeal.

DIRECTOR OF MISSIONS REPORT

The report of the Director of Missions is absorbed mostly in reports from organizat nal leaders and committees; especially, the Missions Committee under the direction of Dr. on Hadley, Chairman, has been most helpful and supportive to the associational work. The ne spirit of cooperation and unity among the churches of the association is unsurpassed i ur history and most encouraging for the future. The harmony and unity exisisting amon he churches is outstanding and what we should expect from God's people.

Approximately ten of our churches are now without pastors. This is the highest numb in years, but I believe it shows that our churches are becoming more careful in their selecti of pastors and more selective of the quality, training and experience that they expect in pas ral leadership. The pastors we have are men of integrity, consecration, dedication and ell trained in the work of the Lord and the denomination.

The concept, role, and function of the association is better understood as more and mo of the churches, especially the leadership in the churches, come to appreciate the associat nal work and the role of the Director of Missions more and more. Churches are beginning t see the need for better trained leadership and are responding to the offers of those who a involved in leadership training; an example of this is the recent WMU Leadership Tra ng Workshop in which over ninety women attended. We need more of our church leadersh involved in leadership training and churches are going to need to see their own responsibi in training their own leadership; inservice training is the great need.

We had one new church organized this year. This is a strong, stable Baptist Church al dy doing its share in the support of both associational and denominational missions.

We support the Seaman's Center in Morehead City, which is a ministry to sailors fro al over the world that come to the local port. Churches each year are enlisted to work ith nigrants who come to the area and so far as we know every migrant who came to the area nad a chance to hear of God's love for him and the saving power of Christ. Approximately even of our churches ministered to campgrounds each Sunday during the resort season, nolding worship services and offering and giving whatever spiritual ministry that was re- quested.

Churches seem to be a little slack in VBS mission activity. A few mission schools were held his year and some of the churches used buses to bring children to the local church where pace and equipment was more suitable to the teaching needs. Several Backyard Bible Clubs vere held. We need hundreds of these. One problem here is getting reports. We need these eports badly, not only for the records sake, but for purposes of information.

The association has taken a great step forward in the selection and purchase of a suitable ocation for a new office building. It has also seen fit to establish through the Executive Com- nittee a Long Range Planning Committee to study the present and future needs and oppor- unities for the association. It has also elected a Building Committee who will study the needs or a new office which, hopefully, construction will be begun in the not to distant future.

It has been a good year in many, many respects and we wish to thank every person and the hurches who have made it so.

Respectfully,
H. A. Privette

"THE STATE OF STATE MISSION MINISTRIES"

GENERALLY SPEAKING, State Missions in North Carolina can be divided into two maj categories: (1) ministries that STRENGTHEN and (2) ministries that LENGTHEN the witness local churches.

STRENGTHENING ministries involve the various church program organizations such Sunday School, Church Training, WMU, Brotherhood, etc. These are programs that bett enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in th development of these ministries. Workshops, seminars, and conferences are conducted eac year that deal directly with the strengthening of these organizations. State Missions, therefor helps local churches as they themselves become types of "Mission station" across the stat

The second type of State Missions are those minstries that LENGTHEN the witness of loc churches. These are cooperative efforts that "represent" the concerns of local churches; pr grams that require the support of many congregations. Some examples of these ministries in clude Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministrie Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, et These are specialized programs that require the continued support of well-trained personne Many of these ministries are co-sponsored with the Southern Baptist Home Mission Boar who provide home missionaries, as well as other resources.

Each of these ministries, however, works closely with local churches and associations. I Resort Ministries, for example, local churches and associations often participate by providin personnel and other resources. It is not uncommon for urban week-day programs to look t churches and associations for a needed location and other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Mission Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 5 different ministries across North Carolina. These programs serve as a vital link in the tot World Mission responsibility of North Carolina Baptists.

A special effort was made this year in the State Missions Offering to receive $1,385,000. toward desolving debts owed by the Baptist State Convention that occurred in the purcha of property and the building of new facilities. The churches in this association responde wonderfully well with a total offering of $9,318.49. Churches are to be commended for th splendid effort. It manifested a wonderful spirit of cooperation toward our total Baptist a ministration.

PROCEEDINGS

First Baptist Church, New Bern, North Carolina
Thursday Evening, April 27, 1978, 7:30 p.m.

The Atlantic Baptist Association met on April 27, 1978, at First Baptist Church in New Bern. Rev. Elwin Melton declared the 2nd Semi-Annual meeting in session.

John Thompson, Associational Music Director, led the congregation in the singing of the hymn "To God Be the Glory."

Rev. W. M. Haskins read the scripture from Acts 4, beginning with verse 23 and led in prayer.

The Moderator expressed appreciation to First Baptist for having this meeting and recognized Mr. Robert King who welcomed everyone by saying, "I was glad when they said unto me, let us go into the house of the Lord."

The Registration Committee consisted of Mrs. Mabel Whitty, Mrs. Virginia Laughinghouse, Virgie Windfield and Mrs. Herman Maddox.

The Moderator stated that the Pastors' Conference would be postponed one week—May 8.

Rev. James Scales, Program Committee Chairman, presented the program as printed and made a motion that it be adopted. This was seconded and carried.

Rev. James Hartley, Long Range Planning Committee Chairman, emphasized the Survey Sheet that had been previously passed out. A survey was sent to all the churches in the Association to find out what some of the priorities would be concerning Associational needs. Those churches that had not sent in their survey were urged to do so in order for the committee to make plans (long range—25 years) and set priorities.

Mr. Bob King, Chairman of the Associational Nominating Committee, presented the following nominations for officers of the 1978-79 Associational year.

Moderator—Rev. Elwin Melton
Clerk—Mrs. Amos Hardee
Music Director—Rev. John Thompson
Chairman of Evangelism—Rev. William Jones
Brotherhood Director—Rev. W. M. Haskins
W.M.U. Director—Mrs. William Loftin, Jr.
Church Training Director—Mr. Wayne Corey
Sunday School Director—Rev. James Hartley
Chairman of Stewardship—Rev. Paul Bard

A motion was made to elect the officers as presented. This was seconded and carried.

Mr. George Griffin, Treasurer, presented the Report for September 1977 through April 1978. A motion was made that the report be accepted as read, seconded. Rev. Bard amended the motion that a payment of $5,125 be made on the property purchased by the Association. This payment will pay off the debt. The amended motion was seconded and after some discussion carried.

The Director of Missions reported the attendance was: 69 Registered Visitors; 78 Registered Messengers; and 155 Total Present. Rev. Privette expressed his appreciation to Rev. Hartley and the work being done by the Long Range Planning Committee. Rev. Privette expressed concern that out of 36 churches with approximately 11,000 people we only baptized 150 last year. Jesus said, "Ye shall be witnessed unto me." There seems to be very little missions effort—we need good revivals and more personal witnessing. Plans during the Bold Mission Thrust are to double the Cooperative Program by 1982 and to reach every person by the year 2000. Every church is urged to renew their efforts towards personal witnessing.

Special Music was presented by the combined choirs of Tabernacle Baptist Church and First Baptist Church of New Bern under the direction of John Thompson. They presented the musical "Bold Missions" and it was fantastic!

The message was given by Rev. O. D. Martin, Jr., former missionary to South America and now Director of the Stewardship Department of the Baptist State Convention of North Carolina. It was a truly inspiring message from Acts the 3rd and 4th Chapter.

The meeting adjourned with refreshments being served by First Baptist and good fellowship was enjoyed by all.

Respectfully submitted, Mrs. Amos Hardee, Clerk

FINAL REPORT OF THE LONG RANGE PROGRAM PLANNING COMMITTEE
ATLANTIC BAPTIST ASSOCIATION

I. INTRODUCTION

This report is the culmination of a process that has been underway for more than a year. At the last annual meeting of the Association, (Parkview Baptist, 1977), this committee was formed along with the Building Committee by direction of, and nomination by, the Missions Committee. The task given to the committee was the survey of existing programs in the Association and the recommendation of Long Range Goals (15-25 years), as they relate to the future life of the Association.

The committee has met faithfully through this entire time at periodic intervals, and attendance has been good at each meeting. Two surveys were made by the committee. First, the members of our church were asked to complete a survey sheet. More than 300 copies were sent to the individual church members. Second, a survey letter was sent to all the Associations in our state to see if similar projects have been completed, and for additional information that could be supplied to our task. The response from other Associations was prompt and helpful.

The report that follows represents the recommendations of this committee, following the procedure as just stated.

II. SURVEY SHEET SUMMARY

Please see the enclosed sheet at the end of this report.

III. ASSOCIATIONAL OBJECTIVES

The objectives of the Atlantic Baptist Association are:

To be a dynamic spiritual organism empowered by the Holy Spirit to share Christ with as many people as possible, in our joint evangelical and mission activities and through assisting the local church to do so.

To experience an increasingly meaningful fellowship with God and our fellow believers.

To assist in the training of Christian Disciples for the more effective work of the Kingdom.

IV. LONG RANGE PLANS

A. Church Developmental Ministry

1. PERSONAL EVANGELISM—A continued strong emphasis on personal evangelism is essential. The Association should involve more people in evangelism training, and seek commitment to personal evangelism.

2. CHRISTIAN DISCIPLESHIP—In order to have stronger churches, there should be a continuing program to aid Christian

Discipling. This should be on an Associational level and through support of local church effort.

3. LEADERSHIP TRAINING—The Association should assist churches in providing well trained leaders for the various organizations and committees of the church. This should be accomplished through:

a. General seminars and workshops on the Associational level and,

b. Providing funds, in upcoming budgets, for training Associational Leadership.

B. Christians Mission and Social Ministry

1. OUTREACH MINISTRIES, ie, migrant, literacy, and Seaman's Center should continue to be a vital part of our Association.

2. RESORT MINISTRY—this relatively new ministry should be continually upgraded. Due to the anticipated growth of our area in resort activities, under the guidance of the Missions Committee and the Director of Associational Missions, an increasing ministry should be developed, continuing to use volunteer church and possible staff support. (i.e. Summer worker or part-time staff involvement)

3. SERVICEPERSON'S CENTER—this new ministry should be begun as soon as feasible. A serviceperson's center in the area (Havelock-Cherry Point) should be a joint effort between the Association as a whole and the churches of the immediate area. This center could be housed in the New Associational Building or in a separate, more visible location. A possible division of support would be for the Association to supply the building and equipment and the local churches supply the staff. The Missions Committee should bring recommendations to the Association in beginning this work.

4. PROFESSIONAL AND LAY RESOURCES LIST—the Director of Missions should compile and make available to the churches a list of government, service, volunteer, and church agencies available in the Associational area that could provide aid to churches and individuals in need. A list of special talents should also be helpful.

5. NEW WORK—the Association should actively seek new areas for mission churches, mission Sunday Schools, and short term mission activities.

C. Church Program Support

1. MEDIA RESOURCE—an adequate media center is essential to the Association. An upgrading and enlargement of the media center should be an ongoing project. Along with audiovisuals on missions, additional audiovisuals on training should be obtained. A consistent effort is needed to keep these aids up to date. The use of the CAVE plan (or similar plan) should be employed to make it more convenient and economical to secure new materials. Note: Music (anthem/cantata) could be cataloged in the media center for churches to check out.

2. RETREAT CENTER—a retreat center would be a valuable asset to the Association. It is recommended that at such time as it is feasible, in terms of location and resources, a retreat center be developed under the direction of the Missions Committee. It is recommended that the center have the capacity to sleep and feed approximately 40 people. There should be provisions for a mixed group. It should be weatherized for year round use.

D. Staff Support

1. PASTOR AND CHURCH STAFF SUPPORT MINISTRY. Due to the ever increasing pressures on pastors and church staff workers, special programs and workshops should be provided to support the work and well being of these persons. An environment needs to be developed for in-depth sharing, problem solving, and crisis counseling.

2. STAFF INCREASES—In anticipation of future growth of the Atlantic Association, the committee recommends the Missions Committee pursue additional staff positions.

a. Counseling—Top priority should be given to a trained counselor (part of full time) to work with pastors and churches (by referral or invitation). This person could supply support in the way of programs in local churches and as a resource person.

b. Education —An additional position of Director of Education to aid in general Associational education and training, and in specific churches (by request).

c. Serviceperson's Center Director—If needed, to staff the new ministry.

V. RELATION OF THE LONG RANGE PROGRAM PLANS TO THE PROPOSED NEW ASSOCIATIONAL BUILDING

It is recommended the new building be designed in connection with the aid and advice of the Church Architecture Department. In light of the recommended long-range plans, it is suggested the new building have:

1. Two offices for staff with the ability to expand if needed.

2. Secretarial office space and work area for printing and other secretarial duties.

3. A media center room large enough to expand audio-visuals and other resources.

4. A room (possibly the media center room) large enough to accomodate 15-20 people for a seminar or workshop.

5. (Possibly) A serviceperson's center adjoining the office building.

6. A kitchenette.

VI. CONCLUSION

This Association has shown remarkable growth and strength during the past few years. There is no reason to assume that the trend will not continue into the future. The geographical area of our Association is projected to grow rapidly during the next twenty years, as rapidly as any part of the Eastern Seaboard. We must be willing and prepared to meet that growth with strong churches and mission ministries. The projections of this report are aimed to this end.

Members of this Committee are: Mrs. Ben Cox, Mrs. William Loftin, Jr., Mrs. Elois Weinhold, Mr. Robert Burgess and Mr. Robert King, Jr. The chairman is Rev. James Hartley.

DIRECTOR OF MISSIONS REPORT

Your Director of Missions has had a busy year and we are very conscious of the Lord's blessings upon us and the evidence of the Holy Spirit among us. We try to visit the churches as time permits and enjoy the wonderful fellowship with the fine people in the Baptist churches. Almost every Sunday finds us preaching either at some special service or for supply. Many hours have been spent with Pulpit Committees in trying to assist churches to find the man God would have them have as pastor; part of the time is spent trying to help keep them from finding the wrong one. There are many wolves in sheep's clothing. The churches have called some fine men as pastors which is a credit to them and a valuable asset to the association. The churches have learned not to be in a hurry and to be more selective and careful in the calling of pastors.

It is heartening to see the churches broadening their vision and looking out unto the fields white unto harvest and doing something about it. The churches that are reaching out are the ones that God is abundantly blessing. Many of the churches are working in jails and prisons, convalence and nursing homes, Vacation Bible Schools, Backyard Bible Clubs, home prayer meetings and Bible study groups.

Some of the churches are working with illiterates, the deaf, the mentally retarded and special singles groups. Some foreign nationals have been helped to secure United States Citizenship. The pastor's wife, Mrs. Sara Hadley, at First Baptist Church, Havelock, is active in literacy work. Mrs. Privetten, wife of the Director of Missions, is a certified instuctor for teachers of illiterates. The pastor's wife, Mrs. Nell Davis, at Beaufort, is active with the deaf and so is Mr. Robert King of New Bern First Baptist. One of our pastors, Rev. William Voorhes, is active with the mentally retarded.

One of our outstanding ministries for years has been migrants. About one-half or even less come to the associational area as did a few years back, but so far as we know every migrant who comes to this area had an opportunity to hear the good news of salvation and to be told of God's love for them. Many of these made professions of faith in Christ as personal Saviour.

Another of our outstanding ministries is the resort ministry. Each year about seven of the churches accept a campground on the beach between Atlantic Beach and Emerald Isle and hold services each Sunday morning before their own church activities. These are thrilling experiences and literally thousands of people from all over the United States hear gospel messages each Sunday. Great good has come from this. Many professions of faith have been reported. Churches in the Morehead and Beaufort area provide a ministry for those who come to Atlantic Beach. These churches also cooperate in the Seamans' Ministry where sailors from every part of the world come to the State Port at Morehead City. The association shares in this ministry in a financial way.

Our thanks and appreciation to the wonderful people and splendid pastors who make up the churches. Your prayers, support, cooperation, and good will make this an enjoyable and profitable work. Our thanks, too, to our loyal and faithful office secretary, Mrs. Ann McDonald, whose help and support enable us to make this work more effective.

Respectfully, H. A. Privette

ASSOCIATIONAL EXECUTIVE COMMITTEE REPORT

The Executive Committee met four times in 1978. Alt meetings had good attendance with the exception of the July meeting with only five members present.

Reports were received from Department leaders and committee Chairmen.

During the year the Association retired the debts on the property on Miller Boulevard in Havelock to be used for an associational office building.

An Associational World Mission Conference was scheduled for March 1980.

The Missions Committee authorized the formation of two planning committees in regard to building an office building. The two committees are: The Associational Long Range Planning Committee which is to look into the goals of the Association for future years and the Associational Long Range Building Committee which is to develop plans for an Associational Office.

The moderator has received regular monthly reports from the Seamen's Center Ministry at the Port in Morehead City to which the Association contributes. An excellent ministry is being provided for foreign seamen who dock at Morehead City. From the reports received the following information was compiled: 133 ships docked at the Morehead City Port, 2,528 seamen visited the Center, and the Chaplain made 412 visits aboard ships. In November 1977, the first Russians visited the Center and 30 visited in March 1978.

The Executive Committee referred to the Baptist State Convention of North Carolina its recommendation the requests for Pastoral Aid from four of our churches: Calvary (Beaufort), Colony (New Bern), Huggins Memorial (Harkers Island), and Neuse River (New Bern).

The evening of April 27, 1978, was the Second Semi-Annual Meeting of the Atlantic Association at First Baptist Church in New Bern. Rev. James Hartley, Chairman of the Long Range Program Planning Committee, reported on the progress of that committee in suggesting priorities for the next several years in the Association. Officers were elected for the 1978-79 year. A motion was made and carried to send a payment of $5,125.00 to the Baptist State Convention to retire the debt on the Associational Office Building Lot in Havelock. The Director of Missions spoke on personal witnessing. Rev. John Thompson led the combined choirs of Tabernacle and First Baptist Churches of New Bern in the Musical "Bold Missions." Rev. O. D. Martin, Director of Stewardship for the Baptist State Convention and former missionary to Brazil, addressed the meeting. It was a good meeting with a great spirit.

ASSOCIATIONAL MISSIONS COMMITTEE REPORT

Working in close cooperation with the Association Director of Missions and the Executive Committee of the Association, your Associational Missions Committee has been actively involved this past year in several areas of significant mission endeavor. The following report capsulizes some of this activity and mission involvement.

LONG-RANGE PROGRAM STUDY COMMITTEE SUBMITS REPORT. Organized as a subcommittee of the Mission Committee, a Long-range Program Study Committee was appointed during the year, and has done significant work in projecting the types of program and ministry involvements forseen for the Association in the years ahead. This study has particular relevance to the design of our new Associational office building; also to arranging priorities and setting our course as an Association. The complete report of this Committee is given elsewhere in this Book of Reports.

LONG-RANGE BUILDING PLANNING COMMITTEE ORGANIZED. Also as a subcommittee of the Associational Missions Committee, a Long-range Building Planning Committee was organized to provide leadership in the design and construction of the new Associational office. With the work of the Long-range Program Study Committee in hand, this Committee will now proceed to draw up and submit plans for a building to accommodate the developing program of the Association.

PROGRESS MADE TOWARD MINNESOTT MISSION. During the year the Executive Committee gave their blessing to the plan of First Baptist Church, Morehead City, to establish a mission work in or around Minnesott. The plan calls for first surveying this area, utilizing assistance offered by the Baptist State Convention of North Carolina. Having for several years recognized the evident need for a Baptist mission at Minnesott, the role of the Associational Missions Committee is one of promotion and coordination. The Missions Committee enthusiastically commends First Baptist Church, Morehead, for their interest in this mission opportunity.

VICTORY BAPTIST CHAPEL ORGANIZED. A new mission work has been organized in the Newport area, under the sponsorship of First Baptist Church, Beaufort. Known as the Victory Baptist Chapel, this group plans to organize in the near future as an autonomous Southern Baptist congregation, fully cooperating in association, state, and conventionwide mission.

RESORT AND MIGRANT MINISTRIES CONDUCTED. Associational churches were again faithful in carrying our resort and migrant ministries. Participating churches are as follows: RESORT: Atlantic,

Beaufort First, Morehead City First, Parkview, Peletier, Swansboro.
MIGRANT: National Avenue, Woodville, Calvary, Beaufort First.

Respectfully submitted,
Donald Hadley, Chairman
Missions Committee

ASSOCIATIONAL ORDINATION COMMITTEE REPORT

The Ordination Committee of the Atlantic Baptist Association met three times during the year.

At the request of the Pollocksville Baptist Church, the Committee met November 8th at the Havelock Baptist Church to examine Ray Howell III as to his fitness for the Gospel Ministry.

On December 20th the Committee met at the First Baptist Church of Morehead City, Rev. Howard Knight, Pastor, to examine Raymond Whitby as to his fitness for the Gospel Ministry.

On January 2nd the Committee met at the Tabernacle Baptist Church of New Bern, North Carolina, Rev. George Johnson, Pastor, to examine Gerald Harrelson relative to his ordination to the Gospel Ministry.

These three candidates were thoroughly examined by the Committee as to their conversion, their call to the ministry, Baptist doctrine, and many other matters pertaining to the Gospel Ministry and the life of a Pastor.

On each occasion the candidate gave a satisfactory response on all points and the Committee recommended that their respective churches proceed with the ordination.

Upon the recommendation of the Committee, Pollocksville Baptist Church ordained Ray Howell III, to the full Gospel Ministry.

The First Baptist Church of Morehead City ordained Raymond Whitby to the full Gospel Ministry.

Tabernacle Baptist Church of New Bern ordained Gerald Harrelson to the full Gospel Ministry.

We understand that there was another ordination within the Association but it was never called to the attention of the Ordination Committee.

Respectfully submitted,
T. H. Williams, Chairman

ASSOCIATIONAL WOMAN'S MISSIONARY UNION REPORT

With the denominational emphasis on Bold Mission and the special challenge of Acts 1:8 to be witnesses everywhere, the W.M.U. Organization is especially designed to implement the realization of this goal.

This year has been one of challenge to the Associational officers of the W.M.U. They have truly worked as a team, receiving training at Mundo Vista in August and leading the workshop in September. Outstanding and beneficial programs have been carried on. The Baptist Young Women's work has been emphasized through an Associational Banquet and a Prayer Retreat led by Nona Kay Bickerstaff, State W.M.U. Baptist Young Women's Director. The Baptist Women held a most inspirational and enjoyable retreat at Emerald Isle in February. Acteens held regular Associational meetings during the year. The Mission Friends were helped in local churches as the need arose. The Girls In Action had a most successful day at the First Church, Morehead. The Associational W.M.U. Meeting at the First Baptist Church, Swansboro, was well attended. An excellent program with the Bell Choir of First Baptist, Morehead, giving special music. Mrs. Betty Gilreath, our State W.M.U. President, and Mr. O. D. Martin, former missionary to Brazil, brought outstanding messages.

The Directors have dedicated themselves to their tasks. It has been a privilege to serve with them in the capacity of Director this year.

Respectfully submitted,
Mrs. Ben W. Cox, Director

ANNUITY BOARD REPORT

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 percent increase in most annuitants' checks. The increase was retroactive to January 1.

2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,143 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942—including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

BROTHERHOOD COMMISSION, SBC, REPORT

During the 1977-78 fiscal year, the Brotherhood Commission emphasized mission education, mission commitment, evangelism and leader training.

While enrollment of men and boys in Brotherhood units dropped by 1.2 percent to 473,309 at the start of the year, the number of churches with Brotherhood work increased by 52 to a total of 15,359.

Churches with Baptist Men's work increased by 408 and those with Brotherhood directors by 316.

In the area of mission education, a long-range plan to provide every Southern Baptist church with mission information and opportunity for involvement in missions progressed on schedule.

The Commission is working with Woman's Missionary Union, Foreign Mission Board, Home Mission Board, and Sunday School Board through a Mission Education Council to complete this project.

The project calls for researching and developing a correlated program design and missions curriculum, a convention-wide plan for mission education, and a national merchandising plan for mission education materials.

The project is designed to help implement Bold Mission Thrust, the effortt of Southern Baptists to communicate the gospel to every person in the world by the year 2000.

Working with WMU, the Commission helped sponsor a Bold Mission Leadership Conference at Glorieta Baptist Conference Center which attracted 2,039, an increase of almost 25 percent over a similar conference a year before.

At the same time, the Commission led in arranging world missions conferences attended by more than one million Southern Baptists.

In the area of mission commitment, the Commission strongly encouraged Southern Baptists to become involved in missions as short-term volunteers, particularly through the Mission Service Corps.

The agency also developed new ministries and supporting materials in the areas of lay-led revivals, prison ministries, Bible distribution and retirees in missions.

Besides involving about 5,000 persons in renewal events, the Commission conducted research in 20 churches on the best ways to communicate the theology of the laity. In another new venture, 50 couples were trained to conduct mission and ministry weekends in their churches.

Among the specialists were persons equipped to help churches organize Brotherhood units for men and boys who speak Spanish, Chinese, and Korean.

Southern Baptists' allocation through the Cooperative Program for these endeavors was $522,500.

CHRISTIAN LIFE COMMISSION, SBC, REPORT

During the past year there have been a number of encouraging developments on the moral scene: large numbers of Christians have become more highly sensitized to the increasing level of immorality which is beamed into their homes by television; new initiatives have been made to deal with world hunger; renewed attention has been given to human rights; the importance of doing the gospel in daily life has been more widely accepted in the churches; and the place of Christian morality as the natural outgrowth of Christian conversion has come to be more generally subscribed to among the people of God.

There have been enough discouraging developments on the moral scene, however, to keep Christians humble: hunger and poverty persist; racial problems go unresolved; gambling and alcohol interests keep on finding new victims; the arms race continues its malignant growth; the energy crisis keeps building; health care costs continue to rise; and both inflation and unemployment trouble multitudes of people at home and abroad.

The Christian Life Commission has responded with all its might to these moral challenges. Through conferences, literature, organizational activities, speeches, sermons, books, and the mass media, the Commission has assisted Baptists working to bring God's righteousness to a sinful world.

Renewed attention has been devoted to the problem of hunger and the terrible toll it extracts from human beings who have been denied their right to eat. The Christian Life Commission worked with several other agencies to lead Southern Baptists in the first observance of World Hunger Day on August 2. This fall a Convention-wide Convocation on Hunger is being sponsored by a group of Southern Baptist agencies chaired by the Christian Life Commission. This Convocation is intended to raise consciousness about hunger and suggest effective ways through which Christians can combat world hunger.

The Commission has continued to help God's changed people in their task of changing the world. A number of regional conferences have been conducted in 1978 to assist pastors and laypersons in applying the gospel to daily life. A national seminar held in Nashville, Tennessee, considered current lifestyle issues in Christian perspective. Two consultations were held to aid Southern Baptists in their efforts to deal with moral problems related to alcohol and family life. A specialized conference helped church leaders come to grips with their moral responsibility in the energy crisis. Again the Christian Life Commission provided posters and literature to the many Southern Baptist churches choosing to observe Race Relations Sunday and Christian Citizenship Sunday.

The task is not complete. In this imperfect world, new moral challenges are constantly arising. Yet Christians have a sense of genuine satisfaction in knowing that during the past year God's people have been faithful as His salt and light in the world, a people truly on Bold Mission, doing the gospel of God in Christ. The Christian Life Commission, in accordance with its mandate from God and from Southern Baptists, continues in its commitment to help Southern Baptists work faithfully in the whole field of applied Christianity.

RADIO AND TELEVISION COMMISSION REPORT

The year 1977 was the best year the Commission has ever had in all respects. There were more professions of faith, mail response was excellent, and more public service time ($11.1 million dollars worth) was given by the stations and networks than ever before. The year's statistics provided an outstanding basis for observing the agency's fortieth anniversary in 1978. God's hand of blessing is on this work.

During 1977 your Radio and Television Commission again worked hard to "give the winds a mighty voice as the Bold Mission concept became reality." Dr. Billy Graham, speaking at the 1978 Abe Lincoln Awards program for broadcasters said religious radio and television "are among the greatest factors in the resurgence of religion in this country" and cited the Commission as a pioneer in the creative use of the media.

A series of 30-second spots featuring Southern Baptist leaders telling "What Baptists Believe" is one of the latest efforts in the denomination's Bold Mission Thrust to evangelize the world by the end of the century.

The spots were produced by the Radio and Television Commission for use on radio and television. They present the Baptist viewpoints about God, the Holy Spirit, the Bible, salvation, baptism, sin, the church, the Lord's Supper and the Lord's Day.

The first 11 Joint Venture Bible Study programs will be produced in the Commission's videotape studio during the week of August 14. The Baptist Sunday School Board is underwriting and sponsoring the series, which will be placed on television beginning in October. Subsequent production dates for the series are set for November and March, 1979. In addition to the TV programs, the Commission has been asked to produce a radio program series utilizing much of the same material.

"The Baptist Hour," flagship program of the Commission entered its 37th year on radio with a drastic change in format. Still a half-hour program, it is offered in stereo and the format is much more informal than it used to be. Dr. Frank Pollard, pastor of the First Baptist Church of Jackson, Mississippi, is the current speaker on "The Baptist Hour." The entire series for 1978 was produced in Israel.

The Commission's radio programs are now well established, have stable growing audiences, and hold the promise of reaching many, many people with the gospel of Christ in the future.

At the end of 1977, some 2,885 stations were carrying Commission broadcasts, a significant gain of 10% for the year. There is every evidence that 1978 will top that. "Country Crossroads" can now be heard on 687 stations, "MasterControl"* is on 756 stations, and "Powerline" stations rose to 924 during the year and will doubtless reach the 1,000 station mark in 1978—the first syndicated program in the history of broadcasting to reach that level.

One new program, "Streams in the Desert," was introduced in 1977. With only minimal efforts, the station list rose to 94 by year's end. A nationwide potential of more than 500 stations is possible for this inspirational new program.

The Commission launched two new series of television programs early last year—"Listen" and "The Athletes." Response from the audiences has been highly favorable and the evangelistic impact excellent. New episodes of both these new quarter-hour series are currently in production and will be shown throughout this year.

"One Sunday morning while listening to your program, I let Jesus enter my heart and be my Savior." That sort of testimony from an increasing number of people is "living proof" that the Commission's programs are hitting the mark.

While it isn't known just how many are in the Commission audience from week to week, the figure is staggering. The agency recieves each year a glimpse of the rich spiritual harvest which takes place when God's Word is effectively presented.

Above 184,000 friends wrote last year for the first time to express appreciation for the programs and to request further information and help. An incredible 14,332 of these wrote to receive spiritual counsel—double the number who wrote in 1976.

More than 2,000 wrote to say they had accepted Christ as Savior, or renewed their commitment to follow Him in discipleship. These friends are followed up extensively, of course, to provide the kind of help and guidance necessary for them to become productive, growing Christians.

If the world is to hear the good news, radio and television will have to be involved. There are too many worldly barriers, border restrictions, and nations at cold or hot war with one another to expect it to happen any other way. We continually thank God for the tools placed in our hands, and seek to use them prayerfully and skillfully to reach the maximum number of people for Christ.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were addressed by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spent working for the defeat of the liquor by the drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber", a phamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is what the Council seeks to do.

NORTH CAROLINA BAPTIST FOUNDATION, INC., REPORT

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the decedants died without a written will.

2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes.).

3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.

4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.

5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,000 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. prepare a will or have their will updated;
2. provide for their church pledges and commitments to be fulfilled through their will;
3. seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church Ian amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount.) These two persons through their wills will double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has received $198,139 in addition to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

SOUTHERN BAPTIST THEOLOGICAL SEMINARY REPORT

Southern Baptists have committed themselves to Bold Mission Thrust, an effort to reach our nation with the good news of Jesus Christ by 1985, and to share the gospel with all the world by the end of this century.

That is a monumental task, and one that can be carried out only as we are equipped by the power of God.

Your church is even now preparing to carry out the concept of Bold Mission in your community, your city, your state. Perhaps your people have already caught the vision of what God can do in us and through us as we surrender ourselves to Him in Bold Mission.

Southern Seminary is also a part of Bold Mission Thrust, an integral part. Southern Seminary is committed to equipping God-called ministers to share the good news of Christ across America and "unto the uttermost part of the earth."

Our location on the doorstep of the Midwest and Northeast, areas of concentrated Bold Mission Thrust effort, gives Southern Seminary a strategic place in the mission emphasis of Southern Baptists. Many students, through their pioneering mission work in Michigan, Ohio, Indiana, Illinois and other states, are already in the vanguard of the denomination's missions effort.

For example, through a program sponsored jointly by Southern Seminary and the Baptist State Convention of Michigan, six students board a van each Friday for a weekend trip to Michigan where they serve a number of churches and missions, providing vital trained leadership that might otherwise be unavailable. A similar program will be underway this coming year in Indiana as well.

This year Southern Seminary became the first Southern Baptist school, and perhaps the first accredited seminary in the nation, to offer the Doctor of Philosophy degree in evangelism, assuring the highest calibre of preparation for those who will lead in reaching our world for Christ.

This commitment to evangelism and missions is nothing new; the Louisville seminary has the oldest endowed chairs of evangelism and missions in the world; the Billy Graham Chair of Evangelism and the W. O. Carver Chair of Christian Missions. Five full-time faculty members provide practical expertise and solid Biblical foundations in this area.

Add to that the emphasis of the Billy Graham Center of Evangelism at Southern Seminary which includes, in addition to the Graham teaching post, student evangelism teams, outreach efforts to the Louisville community, and the Billy Graham Reasearch collection, which contains records of the Graham ministry and of other famous evangelists. The Graham Center, with its ever increasing holdings, is becoming a national focal point for study in the area of evangelism.

Southern Seminary's commitment to Bold Mission Thrust, reflected by the presence on our campus of students from more than 20 nations who will return to assume leadership positions in their own lands, is also seen in our "branch campus" in Ogbomosho, Nigeria. In fact, Southern is the only American seminary with a branch campus on the African continent.

It is an exciting time to be a Southern Baptist, and an exciting time to be at Southern Seminary. Something special is happening here...there's a new spirit of expectancy, of God's acticity among us.

If you were to state our purpose in one phrase, it would be this: we're out to change the world. We're out to change the world because it desperately needs the transforming touch of Jesus Christ. And as Southern Baptists move out boldly to communicate the gospel to all men everywhere, Southern Seminary will continue to be an integral part of that divinely-commissioned task.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY REPORT

The academic year, 1977-78, at Southwestern Baptist Theological Seminary has been a year of celebration and a year of dynamic response to the challenge of Bold Mission. The celebration concerns the 70th year in the life of the institution and the 20th year of the leadership of retiring President Robert E. Naylor, the fifth president of the seminary.

The trustees named Russell Hooper Dilday, Jr., of Atlanta, Georgia, president-elect effective January 1, 1978. He becomes the sixth president on August 1, 1978.

For the first time in its history, Southwestern Seminary presented degrees and diplomas to more than 800 people in a single year. Included were 688 men and 126 women; 58 doctors degrees were conferred. These figures represent the basic contribution of the seminary to Southern Baptist life and leadership.

Enrollment for the year continued to set new records. In the academic year 4,136 students registered. There were 2,420 in the School of Theology; 1,345 in the School of Religious Education, and 366 in the School of Church Music.

New faculty personnel added during the year include C. L. Bass, associate professor of music theory and composition; Tommy L. Bridges, assistant professor of educational administration; Paula Brooks, instructor in communication arts; Michael Malek, instructor in church music education and Albert L. Travis, associate professor of organ.

Several pressing capital needs projects have been adopted by the trustees. Heading the list is a Learning Resource and Research Center. Space vacated by the current library will require a complete renovation into a world mission center, offices and classrooms.

ASSOCIATIONAL EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook—*Bold Evangelism Through the Local Church*—to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

Churches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredithn Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC., REPORT

The programs, services and facilities of the Baptist Childrens Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the eastern area many exciting programs and services are provided at Kennedy Home, Odum Home, McNeill Home, Henderson Emergency Home, foster homes, the wilderness education-therapeutic program, vocational rehabilitation, programs of crises intervention, counseling and family education. These fill a great need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions Thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

BAPTIST HOSPITAL REPORT

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family

Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, conseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

Stop! Look! and Listen! This warning sign at our railroad crossings is a life-saver and should be observed strictly by all who drive, walk, or run. It is good for us to "stop, look, and listen," as we get a clearer picture of the various ministries and work of the institutions and agencies of our Baptist State Convention. This is the special opportunity that messengers to our 80 Baptist Associations have each year, as well as messengers to our Baptist State Convention. Periodically, there is a vital and up-to-date news of our respective ministries in our *Biblical Recorder* and in *Charity and Children.*

North Carolina Baptists have the following Baptist Homes for the Aging:

1. RESTHAVEN, located in Winston-Salem, with space for 16 residents;

2. THE HAYES HOME and the NURSING CARE UNIT, in Winston-Salem with space for 46 residents, and 79 patients. The Nursing Care Unit serves all five of our Homes, and will serve the Western North Carolina Baptist Home. Patients are transferred to this nursing facility when long-term nursing care is needed, either for Intermediate Nursing Care, or Skilled Nursing Care.

There is also a duplex apartment complex at the site of the Hayes Home in Winston-Salem, with a space for 120 people.

3. THE ALBEMARLE HOME, in Albemarle with space for 30 residents;

4. THE HAMILTON HOME, in Hamilton, with space for 28 residents;

5. THE YANCEYVILLE HOME, in Yanceyville, with space for 31 residents;

6. THE WESTERN NORTH CAROLINA BAPTIST HOME, in Asheville, with space for 50 residents, now under construction.

This means that there will be accomodations for 300 people in all of our six Baptist Homes, the apartment complex, and the Nursing Care Unit, when the Western North Carolina Baptist Home, is Asheville is completed. This lovely facility is now under construction, and it is anticipated that it will be completed and ready for occupancy by February 15, 1979.

Our Baptist Homes for the Aging have received vital support from our more than 3,400 Baptist Churches through two vital sources through the years:

1. The Cooperative Program which supplies about 8% of our total budget;

2. The Special Offering which supplies 16% of our total budget.

These gifts are used to supplement the care of the majority of the residents in our Baptist Homes and are a life-line, therefore, to residents who could not possibly pay the cost of care, if it were not for these gifts. We are grateful for these gifts and for every church and every person who has had a part in making them possible.

Since our February, 1978 offering for the Baptist Homes was the last Special Offering ever, we are greatly concerned that our churches and our people continue, in an ever increasing manner, their loyal support for the Homes. The total goal of the State Missions Offering for 1979, in which we will share with our other Baptist institutions, and with the specific causes of State Missions, is $2,000,000. Our Baptist Homes will receive $300,000.00 from this Offering, if the total goal is reached. If not, we will not receive that amount. This figure of $300,000.00 from the time it was projected, until September, of 1979, will represent a period of two years. During this period we will most likely have to borrow money to operate the Homes for the Aging, since we normally receive $300,000 from the Special Offering.

Of interest in our Homes for the Aging is projected growth and service is a new proposed wing to the Hayes Home in Winston-Salem which will house 51 additional patients and residents and bring our total capacity in all of the Homes and the Nursing Care Unit to 351 persons.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. We must continue to prepare for them and move out, by the Lord's help, to undertake more for them in our churches, our communities, and in our Baptist Homes for the Aging.

Will you join us in our prayers and in our plans for those aging persons who look to us for help!

THE BIBLICAL RECORDER REPORT

Think about it for a minute. What if there were no *Biblical Recorder*? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the *Biblical Recorder* has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the *Biblical Recorder* is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the *Recorder* pay? Recently the *Recorder* published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty-nine of the 50 had a good *Recorder* club, many of them sending the *Recorder* to every resident family. The *Biblical Recorder* had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the *Recorder* through the church budget at a cost of only 6 cents a week. Everyone benefits when the *Recorder* goes into every home.

The price of the *Recorder* remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the *Recorder* in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the *Recorder* for information about such matters as liquor by the drink. This is only one reason for every church to have a good *Recorder* club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this year but has agreed to continue to help the *Recorder* in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the *Recorder* when needed for special assignments.

ASSOCIATIONAL CHURCH TRAINING REPORT

The highlight of the year for Church Training was the very well received "M" Night at First Baptist, Havelock, with Dr. Thomas Freeman, Pastor, First Baptist, Dunn, North Carolina, delivering a superb and timely message that drove home the fact that discipleship training and development is not optional according to the scriptures. Almost 275 attended, including nine pastors, nine Church Training Directors and representing fourteen churches. The Church Training Director attended the North Carolina Key Leadership Conference at Ridgecrest in May. Fourteen saints representing eleven churches attended the Church Training classes at the Associational Key Leadership Conference in June.

Your Church Training Director has proposed the following rather ambitious goals for the 1978-79 year:

1. Establish an Associational Church Training Council.
2. Educate all pastors on Church Training.
3. Begin 10 new Church Training Programs.
4. Provide Church Training leader training.

Many will rejoice at the return of the Children's Bible Drill and the Youth Speaker's Tournament to the Church Training Program for the new year. It is hoped that most of our churches will be represented at the Associational Competition in March or April.

Respectfully submitted,
Robert Burgess, Director

ASSOCIATIONAL MEDIA CENTER/LIBRARY REPORT

There were fifteen people from ten churches in attendance at the Associational Media Center Key Leadership Conference. Some of these represented on going Media Center/Libraries, some desiring to reactivate their libraries and a few seeking to prepare for the time when space would be provided for a Media Center.

Training is definitely one of the greatest needs and hopefully more librarians can attend the State Conference held in the Spring each year. It will be in Charlotte in 1979.

THE AMERICAN BIBLE SOCIETY REPORT

1977 was the year in which more people were reached with God's Word than ever before in Bible Society history.

Since its founding in 1816, the only goal of the American Bible Society has been to translate, produce, and distribute the Scriptures to people everywhere in a language they can understand and at a price they can afford. In this effort to "Let the Word Speak" to all people, the ABS, and its partners in the United Bible Societies, distributed for the first time in a single year over 400,000,000 Scriptures in 150 countries!

In 1946 the American Bible Society published its first Scripture Selection, the *Sermon on the Mount*. Scripture Selections have since become the "seeds" of the Society. Because of their relatively low cost they could be shared more widely than New Testaments or Bibles. Once planted in the heart of the reader, the seed could then grow through Portions, the New Testament, and eventually, the complete Bible.

DISTRIBUTION IN LATIN AMERICA—Although the disbribution of complete Bibles grew by more than 10 percent throughout the Americas in 1977, significantly greater increases were achieved in New Testament distribution. The Christians of Bolivia, together with the Bible Society, helped to share 108,083 New Testaments with the people of that country in comparison with 40,845 the previous year. Mexico reached a distribution of more than 220,000 New Testaments as compared with 90,000 in 1976. The distribution of New Testaments throughout all of Latin America increased 56.8 percent. For the first time in many years the Cuban government granted the churches of Cuba permission to import 2,500 Bibles and 2,500 New Testaments. These were immediately supplied as a gift from the United Bible Societies.

DISTRIBUTION IN AFRICA—In Ethiopia the distribution of complete Bibles jumped from w8,369 in 1976 to 71,397 in 1977. In Sierra Leone, Bible distribution was up 180 percent. And in Uganda a 156 percent increase was achieved in the circulation of complete Bibles.

DISTRIBUTION IN ASIA—In the Muslim countries of Iran, Iraq, and Jordan, where Christian witness is so difficult, more than 19,000 Bibles were distributed in 1977 as compared to less than 3,000 the previous year.

DISTRIBUTION IN EUROPE—Although overall Scripture distribution throughout Europe was down slightly in 1977, Yugoslavia achieved an increase in the distribution of complete Bibles from 6,251 in 1976 to 23,136 in 1977, and the number of New Testaments distributed rose from 1,067 to 10,599.

DISTRIBUTION IN THE USA—Distribution of complete Bibles in the United States followed the pattern set by the rest of the world, increasing in one year from 1,142,842 in 1976 to 2,601,198 in 1977.

GOOD NEWS FOR NEW READERS—Distribution opportunities for complete Bibles and New Testaments are limited in many areas of the world because the level of literacy is so low. The Bible Society's answer to this problem is the GOOD NEWS FOR NEW READERS program, where those just beginning to read can discover God's Word through a graded series of Scripture Selections in a language and format they can easily read and understand.

TRANSLATIONS—An average of nearly once every two weeks during 1977, somewhere in the world a group of people who had never before had the Word of God in their own language, received a Portion of Scripture for the first time.

ABS VOLUNTEERS—Much of the success achieved for the Bible cause in 1977 was due to the untiring efforts of more than 30,000 ABS volunteers who carried out local distribution programs in hospitals, schools, jails, missions, and places of business; presented the need of the Bible cause to churches; gave radio interviews; and recruited members for the Bible-a-Month Club.

FINANCIAL SUPPORT—Total income of the ABS from all sources in 1977 was $29,871,640. Income from the churches totaled $1,545,634. The churches of the Southern Baptist Convention contributed $251,908 or approximately $.022 per member. This was a decrease of $23,723 from 1976.

The Bible Society asks for your continued prayers.

Respectfully submitted,
Arthur C. Borden

ASSOCIATIONAL STEWARDSHIP REPORT

I. COOPERATIVE PROGRAM

This is one of the most exciting times of all history to be alive—especially if you are a Christian and a Southern Baptist. Ever since Jesus was on earth we have had the Great Commission to "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you and lo, I am with you alway, even unto the end of the world" (Matt. 28:19-20). For the first time ever Southern Baptists have set themselves a deadline to carry out this commission.

Our emphasis on Bold Mission Thrust calls for Southern Baptists to perceive and accept our mission in enabling every person in the world to hear and respond to the gospel of Christ by the year 2000 A.D. What a challenge—sharing the gospel of Jesus Christ with every person in the world by the year 2000. Providing resources to meet this exciting challenge will require boldness in prayer and sacrificial giving on the part of every Southern Baptist. We must give our best as we minister through our church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

During the past year the churches of our association gave $157,654 through the Cooperative Program.

Some goals for the coming year are:

1. Every church in the association giving something through the Cooperative Program for Bold Mission Thrust support.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. Every church in the association increasing the percentage of the total budget income for the support of associational missions.

II. STEWARDSHIP DEVELOPMENT

It is the goal of the Stewardship Commission of the Southern Baptist Convention to provide leadership and materials for the development of individual Christian stewards. Developing Christian stewards is imperative in light of the Bold Mission Thrust objective, to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by 2000 A.D. Increased mission activity calls for faithful stewardship and growth in Christian giving.

WE RECOMMEND

1. That every church plan a unified budget and conduct a stewardship emphasis this year.

2. That every church encourage its members to consider seriously their need to give to God, and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.

3. That every church receive as a biblical mandate the responsibility of teaching its members the Christian doctrine of financial stewardship and provide studies and activities to accomplish this goal.

4. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.

5. That the association provide programs and resources to help churches accomplish their task of developing Christian stewards.

III. ENDOWMENT AND CAPITAL GIVING PROMOTION

A. *Wills, Trusts, and Estate Planning*—YOUR BAPTIST FOUNDATION is seeking to educate the Baptist constituency to their eternal stewardship responsibilities. Increased emphasis is being placed on making our people aware of their stewardship of possessions beyond the normal tithe and ordinary lifetime gifts.

To assist in this awareness we recommend:

1. That each church in your association observe MAKE YOUR WILL MONTH (January) Emphasis in 1979.

2. That pastors be asked to focus special attention on the work of your Baptist Foundation (state or SBC) during the month of September.

3. That each church have a Money Management Seminar with emphasis given to wills and trusts.

4. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

B. *Church Fund Raising*—As Baptist churches continue to face building needs, the securing of funds is becoming more and more a serious problem. Congregations are torn as to whether their major emphasis should be on world mission causes or their own local expansion needs.

The Stewardship Commission offers assistance to the churches in two ways. This assistance is designed to help churches raise as much capital funds as possible and to reduce long-term financing.

1. BUILDING FOR TODAY'S CHALLENGE is a "do-it-yourself" program.

2. TOGETHER WE BUILD is a consultant-led program with a tailor-made emphasis for each church.

Churches all over the SBC are using these programs with tremendous success.

To assist in capital funding we recommend:

1. That every church anticipating a building program, contact the Stewardship Commission for assistance in financial planning.

2. That every church raise as much money as possible to reduce long-term financing.

3. That every church remember that the Stewardship Commission is a service agency ready to help in meeting their local needs. Help is available by contacting the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee, 37219, for their advice and counsel.

The Chairman of Stewardship attended the Key Leadership Conference at Ridgecrest provided by the Baptist State Convention of North Carolina.

He led in a Stewardship Conference in the Association after receiving briefing at the Ridgecrest Conference.

Rev. Harold White, Stewardship Department of the Baptist State Convention, held a seminar on stewardship at a Pastors' Conference in September. Dinner for those present was provided by the Sunday School Department.

A Stewardship Seminar is planned for the Pastors' Conference for the March meeting of the Pastors' Conference.

Figures on the giving by various churches are not available for this report, but are incorporated in other reports in this book; especially, in the Statistical Table listed in the Digest of Letters.

Respectfully submitted,
H. A. Privette for Dr. Paul Bard

SUNDAY SCHOOL REPORT

NASHVILLE—The Sunday School Board set a record receipt total of $75 million last year but was hampered somewhat by skyrocketing energy and postal costs and bad winter weather.

In presenting the annual report to the Sunday School Board trustees, President Grady C. Cothen said the Board is in excellent financial shape as "we go about fulfilling our mission—the mission of ministry."

Four priorities continued to receive major attention.

More than 7,000 churches and 224 asssociations conducted ACTION enrollment campaigns and 567 new Sunday Schools were started in efforts to reach more persons for Bible study.

The Bible Book Series for youth and adults in Sunday School and the Radio-TV Bible Correspondence program are scheduled to begin October 1, 1978.

The "Equipping Center" concept, short-term training for adults, continued to be tested with plans to release the first materials April 1, 1979.

Family life conferences which reached 33,000 persons and *Home Life* with an average monthly circulation of 838,000 were the primary resources for supporting and enriching family life.

Career Assessment and Development Consultations were undertaken to aid and encourage pastors and church staff members.

Glorieta and Ridgecrest Baptist Conference Centers registered 85,384 guests who stayed a total of 382,178 days. As a result of the work of a special task force on conference center operations, several changes in registration procedures have been approved for 1979.

Baptist Book Stores opened three regional mail order centers in Nashville, St. Louis and Arlington, Texas. Two more will be opened in 1978 in Memphis and Atlanta.

Broadman Press introduced 633 new products during the year. The first book of the 24-volume *Layman's Bible Book Commentary* will be released in October 1978.

Reorganization was completed of the Church Services and Materials Division into three divisions—Bible Teaching, Christian Development and Church and Staff Support. Total Church Study Course credits requested for the year were 308,407.

In the program of Sunday School development, increased visibility was given to associational work and ministry with ethnic groups and to blind and deaf persons.

Enrollment in church music programs increased 1.3 percent over the previous year. Sales of all editions of the *Baptist Hymnal* are now over 2.5 million.

The Church Program Training Center, housed in the church administration department, sponsored 117 events attended by 2,542 persons.

Baptist student ministries now reach 1,084 campuses with 673 others identified as needing a ministry. National Student Ministries will sponsor a nationwide missions conference in Nashville in December 1979.

The National Association of Senior Adults, sponsored by the family ministry department, set a goal of 50,000 members by 1985. A monthly magazine for single adults will begin publication in April 1979.

Under the convention-approved formula, $1.6 million was transferred to assist state conventions in promoting Sunday School Board related programs.

Balance 30 September 1978	$6,799.37

The Atlantic Baptist Association has enjoyed an extremely successful year financially. We were able to retire the entire $10,000.00 loan with the Baptist State Convention plus $425.00 interest instead of the $6,000.00 budgeted, and have only $593.29 less cash available than a year ago. In addition to receipts shown above, the following checks were received too late to include in the financial statement for this year:

Bayboro	$50.29
Beaufort, First	125.00
Colony (Supplies)	25.00
Havelock, First	208.56
Peletier	108.50
Victory Chapel	19.30
Total	$536.65

Respectfully submitted,
George Griffin, Treasurer

PROCEEDINGS

ATLANTIC BAPTIST ASSOCIATION NINETY-SIXTH ANNUAL SESSION

Evening Session
November 1, 1979

Cape Carteret Baptist Church
Swansboro, North Carolina

1. Rev. Elwin L. Melton, Moderator of the Association, called the 96th Annual Session to order for the purpose of hearing reports, to conduct business, and to inspire those in attendance.

2. Rev. John Thompson, Music Director for the Association, led the congregation in singing "There's Power in the Blood."

3. Rev. H. J. Prince, pastor at Reece's Chapel, read scripture from I Timothy 2 and led in prayer.

4. Rev. Gary Bishop, pastor of the host church, welcomed the messengers and visitors and invited everyone for fellowship and refreshments after the meeting. He stated that the Cape Carteret Church was very thankful for the prayers offered through the conception of the church.

5. The Moderator appointed Ann McDonald as Clerk Pro-tem.

6. The Moderator presented the Registration Committee for the Cape Carteret Church as follows: Mrs. Mel Jackson, Mrs. Lola Watts, Mr. Albert Keel, Mrs. Ruth Coles, and Mrs. Delores Bishop.

7. The Moderator recognized Dr. Donald Hadley, Chairman of the Order of Business Committee, who made a motion that the printed program be accepted as the order of business for the 96th Annual Meeting. After proper second this was approved.

8. The Director of Missions, Rev. H. A. Privette made the following announcements:

1. The Calvary Adult Choir has offered to present the Christmas Cantata "The King of Love" to any church desiring this program.
2. The Associational Calendars are available.
3. If there are any mistakes or corrections in the Book of Reports, please submit them in writing.
4. Three Church Letters are still out: Atlantic, Dover and Vandemere.
5. At the Pastors Conference, Monday, November 5, we will have a pastor from Raleigh to explain the new Equipping Center modules.

9. Rev. Pat Kelly, Chairman of the Building Committee, gave the following report:

This past spring, in mid-annual session, the association approved the plans we are presently using for the Association Center. The new building will provide a waiting room, work room, files for the secretary, office for the Missions Director, an additional office for staff expansion, and a conference room which includes a media center. The Center will be located on a lovely site on Miller Boulevard in Havelock.

In mid-summer the Fund Raising Committee promoted the building, and through special offerings raised enough money to begin construction.

In September the Executive Committee, empowered by the mid-annual session, gave the Building Committee the authority to proceed with the final planning and construction of the Center.

Your Building Committee has had the site cleared and is moving with measured haste to begin construction of the new building.

Your committee requests your prayers and your faithful financial support.

Rev. Kelly invited everyone to come by the lot to see it. He believes he intercepted a dream the Atlantic Association has had concerning a new building and he feels privileged to be able to have a part in this becoming a reality.

10. Dr. Joe Hester, Chairman of the Building Fund Raising Committee, recognized the rest of this committee: Sanford C. Stallings, George Laughton, Jr., Gene Bell, and Rev. Michael Blevins. This committee met and set a goal for the association of $30,000 to be taken on August 26. Approximately $20,000 was received giving us approximately $25,000 in the Building Fund. The Committee checked with First Federal, New Bern Savings and Loan, and Wachovia Bank and Trust Company and found the Bank of North Carolina to be more convenient and they have a lower interest rate. They will loan from $90,000 to $100,000, simple interest loan, at 10½ to 11%. The Committee desires to thank you personally for your giving and prayers. The Committee also requested each church to put 2% above the regular budget designation in their budgets to pay for this new center.

11. The messengers expressed their appreciation of the Building Committee and the Fund Raising Committee by saying "Amen".

12. Rev. George Johnson, Chairman of the Finance and Budget Committee, was recognized. He commended the Cape Carteret Church for its beautiful new building and had everyone applaud this fine church in recognition of this achievement. He expressed sorrow that poor health had caused him to relinquish the Chairmanship of the Fund Raising Committee. He highly commended Dr. Joe Hester as Chairman of this Committee.

He stated that the Director of Missions' salary was based on the smallest association's recommendations in the brochure "The Reapers Should Receive Good Wages". The Director of Missions' salary is still $1,549 lower than the lowest suggested salary. He read the recommendations from the Finance and Budget Committee.

1. Meals furnished by the association for conferences outside the association not to exceed $4.00 per meal.

2. That 17¢ per mile be paid speakers who travel from outside the association for special meetings and that lodging and meals be furnished. It is strongly recommended that organizations look closely at using local pastors or State Convention Staff or other qualified personnel for speakers for special occasions rather than having them come long distances.

3. That honorariums not exceed $50.00 in any case.

The other Committee members were recognized: Larry Pate, Ethridge Ricks, Milton Laughton, Sr. and Rev. Huber Dixon. Rev. Johnson recommended adoption of this budget. A motion was made and after proper second it was adopted unanimously.

13. George Griffin, Treasurer, referred the messengers to the Treasurer's Report. A motion was made that this report be adopted as printed in the Book of Reports. This was properly seconded and approved.

14. Mr. Jack Casey, Chairman of the Trustees, read the Trustee's Report and recommended adoption of this report. This was approved after proper second.

15. The Moderator recognized Dr. Hargis Taylor, Chaplain at Chowan College, as a representative of Christian Higher Education and Southern Baptist Colleges.

16. John Thompson requested all pastors, music directors, and secretaries to come to the front for special music. A total of 19 pastors and staff sang "How Great Thou Art" and "Victory in Jesus".

There were three churches that participated in the ACTION Program: Calvary with 75 new Sunday School members enrolled in one week; Havelock First with 50 new members enrolled in one week; and Colony with 35 new Sunday School members enrolled in one week. Calvary began the church year with 130 enrolled in Sunday School and ended the year with 191 enrolled; Havelock First began the year with 305 members enrolled and ended with 365 enrolled; Colony began the year with 150 Sunday School members enrolled and ended the year with 191 members enrolled. There were 161 new members enrolled through the ACTION program in these three churches with an average of 53 new Sunday School members per church. If every church in the association did likewise, 1,808 new members would be enrolled in the Sunday School program. There were two reasons given for not having the ACTION Program:

1. It won't work.
2. We want to work on reaching the people we already have on the rolls.

These churches proved it will work.

It is hoped that during the next year we will be able to have an associational training school dealing with the matter of reaching new people.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society distributed over 500 million scriptures in 1978! The seed is being sown and it falls on good soil over and over again.

Total scripture distribution throughout 1978 by all of the societies cooperating with the United Bible Societies reached 503,125,210 Bibles, New Testaments, portions and selections—a 23% increase over the previous year.

AFRICA - The largest nation in Africa achieved one of the greatest Scripture distribution increases on that continent during 1978. The Sudan, covering an area of almost one million square miles and lying just south of Egypt, achieved a 76.6 percent increase from over 100,000 Scriptures distributed in 1977 to more than 177,000 in 1978.

In 1978, New Testaments were distributed in Central African Empire at a rate of one for every 100 residents of the country.

ASIA - The largest percentage increase in distribution achieved in Asia outside of the Middle East countries was experienced throughout the islands of Micronesia.

Total Scripture distribution throughout India in 1978 surpassed 60 million copies, the second largest distribution of any country in the world and exceeded only by the United States. India's distribution accounted for slightly more than 30% of the entire Asia total.

LATIN AMERICA - As part of a program to celebrate the Centennial Year of the Bible Society of Mexico, a concerted effort to reach every home with a copy of God's Word was launched. The result was the largest distribution increase experienced by any Bible Society in the world during 1978.

EUROPE AND THE UNITED STATES - Probably the greatest accomplishment in Europe was the permission granted by the government to ship 25,000 Bibles to Russia. Almost one-quarter of the entireworld distribution took place in the United States with 127,414,817 Bibles, Testaments, Portions and Selections distributed!

ANNUITY BOARD REPORT

A "Banner Year"

The year 1978 was a "banner year" and a year of challenge for the Annuity Board in serving churches and agencies of the Southern Baptist Convention, according to Dr. Darold H. Morgan, president.

Among the challenges he listed were extremes of market variations, staggering pressures of escalating costs, changes in personnel and organization, and the eroding presence of governmental regulations.

The banner side highlights included:

1. A "13th Check" equalling an additional full month's benefit and amounting to $1,036,914 was mailed to almost 10,000 annuitants in Board retirement programs.

2. A total of $25,558,637 was paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs topped $13 million.

3. An Endowment Department, designed to seek funds for undergirding protection programs, was established. A goal of $25 million by 1988 was set.

4. New churches in the retirement program numbered 630, a record enrollment. New pastors and church employees totaled 2,545, with 3,721 members upgraded programs.

5. Participants in the new Southern Baptist Retirement Program grew to 6,066. Family Benefit Section (Plan A) counted 23,986 members, and Age Security Section (Plan B) recorded a marked increase from 33,062 in 1977 to 44,324. Variable Benefit Section (Plan C) membership declined from 4,885 to 4,217.

6. Premium income reached $51,797,996 (includes relief). Total assets climbed to $569,734,471, compared with $498,977,661 a year earlier.

EASTERN BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

1979 REPORT TO THE ASSOCIATION

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Kennedy Home, Kinston, has been the hub of services to children and their families in eastern North Carolina since 1914. The Children's Homes therapeutic camping program began on that campus. One hundred and twenty-two acres of land were added to the Kennedy farm this year; the 1365 acres gives ample room for campus, a large dairy operation, swine program and camping.

The beach cottage at Indian Beach (McNeill Home) continues to be of significant benefit to children in care across the state. Foster Homes are growing in the east. The Henderson Emergency Home stays full and other interested groups are seeking ways to join the Homes in emergency services.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts, and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

BAPTIST HOSPITAL REPORT

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year - despite continuing inflation - is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building - "Old Main" - has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516, as compared to $388,122 in the preceding fiscal year.

BIBLICAL RECORDER REPORT

In its 146th year of serving North Carolina Baptists, the *Recorder,* like old man river, keeps rolling along. The *Recorder* faced the same problems as everyone did in the past year—price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year. This means the *Recorder* is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the *Recorder* still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the *Recorder* can still go into every home in a church for only 7½¢ a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the *Recorder* has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the *Recorder* to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and as always, the *Recorder* was there.

Even though the *Recorder* takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The *Recorder* believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the *Recorder* better each week. Your support of the *Recorder* will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the *Recorder,* please take steps immediately to see that this is done.

CHRISTIAN ACTION LEAGUE REPORT

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the antipornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original L-B-D bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces on marijuana. We rejoice in this victory.

On May 1 of this year, Brother Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the League.

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in his name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptist to live life as Christ would have us to live it.

CHRISTIAN SOCIAL MINISTRIES REPORT

Fifteen people, representing seven churches, attended the 1979 Associational Key Leadership Conferences on Christian Social Ministries. The Atlantic Association holds unique opportunities for Christian Ministry such as literacy work with Orientals, prison ministry coupled with literacy work, child care services, ministries to single Marines, the recently divorced and single parents and Backyard Bible Club Ministries to trailer parks and other unreached areas.

In order to minister each church should elect a Church Missions Committee composed of the W.M.U. Director, the Brotherhood Director and members at large who are concerned about missions and ministry. The role of this committee is to survey the community to determine greatest needs and to find pockets of unreached people. This committee will also make long range plans for ministry and will organize the resources of the church so that the ministry may be effectively performed. A member of this committee should sit on the church council and represent the concern for missions work in relation to the total church program.

In addition churches need to provide training for members so that they are equipped to meet needs and minister. Trained leaders are available locally or through the convention. Contact the association office for assistance in equipping people to minister.

Sara Hadley

CHURCH TRAINING REPORT

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training program is not in competition with other programs that are carried on in a church but enhances them.

The Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often the four basic areas of study are neglected. If any of the areas are neglected, the church suffers. It suffers by not having trained teachers and leaders.

There are only 15 churches in our Association that reported any Church Training programs last year. That means that 18 of our churches are not training their people to be well informed teachers and leaders. Three churches made no report.

Our Association was well represented in the Bible Drill and Speakers Tournament, although Parkview Baptist was the only church locally to compete associationally and did very well in State Competition. The results were:

Cathy Simmons - Regional Speakers Tournament - 3rd place winner
Stephanie Boyd - State Winner in Children's Bible Drill
Shelly Oglesby - First Place in the Youth Bible Drill at Parkview Church

During our Associational Key Leadership Conference in May, there were eight churches represented. Three of these churches did not have Church Training programs but there was hope that they soon would begin one. I am thankful for the renewed interest in the Church Training program.

During my participation in the State-wide Key Leadership Conference at Ridgecrest in May, I was asked to set several goals for the Association Church Training program. I proposed the following goals:

1. Start five Church Training units. Each unit being a new program in a church that does not have an on-going program.
2. Encourage churches in the selection of Church Training Directors so that 75% of the churches will have an elected Church Training Director.
3. Have at least 25% of our churches send participants to the Associational Bible Drill and Speakers Tournament.
4. Have at least 25% of our churches involved in Equipping Center studies.

I ask each church to set goals for your Church Training program this year. Make your commitment for Church Training and the Lord will bless you for it. With your help, this will be the best Church Training year ever. With your help, everyone in the Atlantic Baptist Association will know that church...is the Sunday Night Place.

Wayne Corey, Director

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

With only two or three exceptions the churches of the Atlantic Association have been faithful in their support of the Cooperative Program during the past associational year. Most of our churches have shown an appreciative increase over former years. Those churches which put missions FIRST are more able to realize the full benefits of the Cooperative Program. Each church should see that Cooperative Program funds are sent to the State Office promptly each month.

The Cooperative Program giving depends upon our Stewardship as individuals and as churches.

Your Chairman attended the Key Leadership Clinic in Ridgecrest in May. He led one Stewardship Clinic within the Association. This was well attended by Treasurers and other Finance officers of the local churches.

Twenty-three pastors attended the Stewardship Conference held at Havelock First on March 5, 1979. Talmadge Williams of the State Baptist Office conducted this conference. Packages of Stewardship materials were given to all pastors present to aid them in their 1979-1980 planning.

Respectfully submitted,
Paul L. Bard, Chairman

DIRECTOR OF MISSIONS REPORT

The past year has been a good year for associational missions. The churches are learning more and more about the advantages to be received from the overall associational program. The Director of Missions has been asked to several churches to inform the people about the associational missions program and work. On each occasion such a visit has resulted in more interest in associational missions and a greater support.

The usual summer activity of work with migrants was carried out in fine fashion by several churches; others conducted worship services at local campgrounds. These proved beneficial both to those ministered to and to the churches that participated.

Churches conducted more Backyard Bible Clubs than ever before. This is one of the best ways to reach people; in fact, it is about the only way to reach people in trailer courts. Through contacts with the children and follow up by visits in the homes, a great and effective ministry can be performed. The child becomes the means of getting to the parents when adequate follow up work is done.

Reports seem to be harder and harder to get on anything. This is the only means we have of really knowing what is done and being able to evaluate the work.

A program designed to give mothers with children a few hours off for themselves was begun and up to now has been very successful. This is held in one of the Havelock churches once each week on Thursday and gives the mothers about three hours to themselves. The program is sagging now and suffering because of the need for workers. The association has seen the wisdom of providing more acceptable and workable space for associational work and has voted to build a new Baptist Center at Church Road and Greenfield Heights Boulevard in Havelock. Plans are already made and the architect is now working on the actual working blueprints and specifications. It is hoped that by the time this meeting is held next year that we can be in this building. The churches have responded in a wonderful way to the appeal for the means to build this building.

God has really blessed and we honor Him and thank Him for the blessings bestowed on His work.

H. A. Privette

EVANGELISM REPORT

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both White and Black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February

5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook - BOLD EVANGELISM THROUGH THE LOCAL CHURCH - with the emphasis related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations is encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELL set and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the *Revival Planbook for the Local Church, Counseling Guide,* and the *Follow-Up Manual for New Christians.* The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

a. Goal of $30,000 to be raised on August 26, 1979.
b. Goal of 2% of undesignated receipts for four years.

MEDIA CENTER/LIBRARY REPORT

The next several years will be a period of transition when the terms "Church Library" and "Church Media Center" will be used frequently and interchangeably. The term is "Church Media Center/Library". (All material now from Church Library Department.)

The Associational Media Center Key Leadership Conference met twice in June, after a Leadership Conference at Ridgecrest in May. Fourteen representatives attended whose churches have Libraries, two others with interest in them.

From "How to Start a Library on a Shoe String" to putting a completely processed book on the shelf was given. We urge each church not having a Library to consider even a small space in a room being used for a mini Library.

The new Atlantic Baptist Association Center with its services of Library aids will greatly benefit all our churches.

It has been a year of "Bold Missions" in Library thinking in our Association.

Respectfully submitted,
Mrs. Alton Whitty, Director

MISSIONS COMMITTEE REPORT

The Missions Committee met four times during the year and with the assistance of our Associational Director of Missions, we were involved in studying and assisting in mission endeavors.

The Committee discussed, in response to a letter, an Emergency Care Home that could be sponsored by the Association and the Baptist Children's Homes. A letter was written stating our interest.

A complete Building Committee was nominated and presented to the Executive Committee. They were: P. A. Kelly, Chairman, George Griffin, Raymond Earp, Frank Atkinson, and James Chance.

We approved an application received from Victory Baptist Chapel for State Convention aid in purchasing a lot for a church building. Since there was no further word on the Emergency Care Home, any further action was delayed.

The Huggins Memorial Mission stated that they were to constitute into an autonomous Baptist Church on July 29, 1979.

We received and approved several applications for pastoral aid from our churches. Mission points in our Association were discussed and are to be prayerfully looked into.

Many of our churches are ministering to resort areas and to the migrants that come to our area. This is a blessing and an encouragement.

Respectfully submitted,
James R. Scales, Chairman

NORTH CAROLINA BAPTIST FOUNDATION REPORT

"Moreover it is required in stewards, that a man be found faithful." I Corinthians 4:2.

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institutions. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries as well as taking advantage of the laws of our land in reducing taxation on resources—both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is: P.O. Box 26508, Raleigh, North Carolina 27611.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accommodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home, in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Financially, this has been a crucial year in our Baptist Homes, since we did not have our usual 3rd Sunday of February Offering, which makes up 16% of our total budget. We have had to move into our endowment funds in order to operate and to keep the ship afloat, since the usual $300,000.00 that we receive from the Special Offering was delayed until we receive the North Carolina Missions Offering in September. We are looking forward to this offering in a very special way, and it will certainly be crucial in the support of our Homes for the Aging. Let us trust that the goal of $2,000,000, for all of our ten Baptist Institutions, and the special causes of States Missions, will be met.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1-2/10% of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Of great joy has been the addition of two new administrative staff members—Mr. Jack Hoyle, who came in mid-January as the Director of Admissions and Social Services and Rev. Jim Saul as the Director of Denominational Relations and Development. Rev. Saul is filling the vacancy created by the retirement of Rev. Ralph Cannon in March. The ministry of the Homes has been greatly enhanced and enriched by the coming of Jack Hoyle and Jim Saul in their respective fields of service.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in our Convention.

ORDINATION COMMITTEE REPORT

The Ordination Committee of the Atlantic Baptist Association met twice during the past year.

At the request of the Aurora Baptist Church, the Committee met March 3, 1979, at the Cherry Point Baptist Church to examine Dale L. Chambliss for the Gospel Ministry of our Lord.

At the request of Parkview Baptist Church, Rev. James R. Scales, Pastor, the Committee met with it in Morehead City, August 25, 1979, for the purpose of examining Kenneth Darrel Lupton for the Gospel Ministry. These two men were thoroughly examined by the Committee as to their conversion, call to the Ministry, the Baptist Faith and Message, and other aspects of Ministry.

On each occasion the candidate gave a satisfactory response on all points and the Committee unanimously recommended that their respective church proceed with the ordination. In each case this was done in order in the respective church.

We understand that there was another ordination within the Association, but it was not through the council and services of this Committee.

Respectfully submitted,
Clyde E. Baucom, Chairman

1. Meals furnished by the association for conferences outside the associatio not to exceed $4.00 per meal.

2. That 17¢ per mile be paid speakers who travel from outside th association for special meetings and that lodging and meals be furnished. It i strongly recommended that organizations look closely at using local pastors o State Convention Staff or other qualified personnel for speakers for specia occasions rather than having them come long distances.

3. That honorariums not exceed $50.00 in any case.

ARTICLE I—NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II—PURPOSE

Section 1: It shall be the purpose of the Association to co-operate with the State and Southern Baptist Convention in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

ARTICLE III—MEMBERSHIP

Section 1: The Association shall be composed of co-operating Baptist Churches in the area of the Association. A co-operating church shall be any church that maintains a spirit of cooperation and supports the objects of this Association.

BY-LAWS

1. COMMITTEES: Members of all standing committees shall serve a three year term and a lapse of one year must ensue before election to the same committee. This does not preclude any person from being elected to serve on another committee. Any officer or committee member serving more than half a term in an office is considered to have served a full term. The expiration date of each committee member's term shall appear beside his name in the Association Directory.

2. The ASSOCIATION YEAR shall begin October 1, and close September 30.

3. PARLIAMENTARY RULES: ROBERTS RULES OF ORDER, NEWLY REVISED, shall be followed as the Association's rules for conducting its deliberative assemblies.

4. EX-OFFICIO MEMBERS: The Moderator is an ex-officio member of all committees except the Nominating Committee. The Director of Missions is an ex-officio member of all organizations and committees.

"In the Executive Board of a society, if the ex-officio member of the board is under the authority of the society (that is, if he is a member, officer, or employee of the society) there's no distinction between him and the other board members. If the ex-officio member is not under the authority of the society, he has all of the privileges of board membership, including the right to make motions and to vote, but none of the obligations." ROBERTS RULES OF ORDER, NEWLY REVISED, p. 402.

5. REPORTS: Written reports to appear in the annual minutes shall not exceed three hundred (300) words except for History and Statistics.

6. MEETINGS: Between Annual Meetings of the Association, it is recommended that Monday evenings be used as far as possible for necessary associational activities.

4. Rev. John Thompson, Associational Music Director, led the congregation in singing "The Solid Rock."

5. An offering was received.

6. The Moderator recognized the Registration Committee for the Evening Session. These were Mary Chadwick and Frances Lilly from Reece's Chapel.

October 20, 1980
Atlantic Baptist Association
P.O. Box 365
Havelock, North Carolina 28532

Greetings to the messengers and members of Atlantic Baptist Association in the name of our Lord.

The wife and children of your Director of Missions, Henry A. Privette, send congratulations to you upon the completion of your new Associational Office Center. Surely this beautiful and functional facility will bring honor to our Lord and provide needed resources for His Kingdom work in years ahead.

By means of the financial contribution to the Atlantic Baptist Associational Office Center Building Fund from Rev. Privette's family, we express our gratitude to God for His many blessings to each of us. In addition, we want to recognize the many years of faithful devotion and unselfish service which our husband and father has given to the Gospel ministry. Furthermore, we acknowledge the tremendous response of the churches in the Atlantic Baptist Association to his leadership these past eighteen years. We appreciate the spirit of love and cooperation in evidence among God's people here.

It is our prayer that God will continue to bless our beloved's ministry and will reward all your efforts in His service and for His glory.

Sincerely,
Pauline H. Privette and children, Jerry, Dianne, Phyllis, Malcolm, Douglas and Alton.

The gift to the Association from Mrs. Privette and children totaled $1,000.00.

10. Rev. Clyde Baucom, Chairman of the Budget and Finance Committee, recognized the committee members. He referred to the printed report and read the major entries and amounts. The committee presented this report with the endorsement of the Executive Committee. Rev. Baucom moved the adoption of this report as printed. This was approved after proper second.

11. Rev. Pat Kelly, Chairman of the Building Committee, stated he has enjoyed working with the committee and recognized them as they stood. Rev. Kelly then recognized the Furnishings Committee and asked them to stand.

He stated that the entire building was lowered two feet in order to lower the price and it seems to be an attractive building. It was contracted for $91,000 which did not include paving the parking lot or the sidewalks. Including floor covering and furnishings, paving, and sidewalks the cost amounted to $122,000.

M and M Construction contracted the work and built the building. Extra supports were installed underneath and in the roof support. Wood facings were used in the window casings instead of sheet rock. A kitchen was installed instead of a kitchenette.

Special donations were received for the mural.

The Woman's Missionary Union furnished the reception room with $2,500 to $2,700.

A more detailed report is included in the Report of the Building Committee.

12. First Baptist Church, Havelock, choir provided special music.

13. Major Ian Thomas, founder of the Torchbearers ministry, used Mark 6:34 as his text and expounded on the feeding of the 5,000 by the boy with the loaves and fishes.

14. The session was adjourned until Friday, 9:00 a.m. Everyone was invited to a fellowship period and refreshments provided by the host church.

15. One hundred eleven messengers, 39 visitors, and three alternates were registered for the evening session.

Morning Session October 31, 1980

16. Dr. Don Hadley, Moderator, called the Morning Session to order at 9:00 a.m.

17. Dr. Samuel Harvey, Jr., pastor at First Baptist Church, Beaufort, read scripture and led in prayer.

18. Rev. John Thompson led the congregation in singing "Standing on the Promises."

19. Rev. Howard Knight, pastor of the host church, welcomed the messengers and visitors and gave directions.

As an alumni Rev. Knight had been asked to report on the Wake Forest University situation. North Carolina Baptists have more institutions of higher learning than any other state convention. Wake Forest ranks Number 7. Starting in 1981 churches will vote whether or not to support Wake Forest through the Cooperative Program. The treasurer of each church is requested to notify the Convention of the decision.

All the schools send greetings and express deep appreciation to the Atlantic Baptist Association for the support it has given and will give in the future.

20. The Moderator recognized the new pastors in the association. Those present were Dr. Samuel Harvey, Jr., Beaufort First; Rev. Bruce Hill, Davis; Rev. Robert Baker, Fort Barnwell; Rev. Clyde Case, National Avenue; Rev. Albert Pruitt, Peletier; Rev. Leland McDaniel, South Creek; Rev. Blair Little, Spring Garden; Rev. Thomas Jones, Trenton; and Rev. Gene Alexander, Woodville. Earl Haynes representing the Baptist Children's Homes was recognized as a guest.

21. The Moderator recognized Rev. James Hartley for the Associational Sunday School Report. As Chairman of the Program Committee Rev. Hartley explained the shorter version program for the Annual Session and the committee's experiment with the missions fair. It was meant to inform and provide fellowship in the way of a break with refreshments being served. Rev. Hartley asked the messengers to voice their opinions concerning the fair.

An Associational Vacation Bible School Clinic was held. The Pastor/Sunday School Director Workshop was well attended. Rev. Hartley was in the process of planning a Central Training School and realized it was advantageous to wait until after the first of 1981 in order to use the new literature. Rev. Hartley stated that if a church is going to grow the Sunday School must grow also. The pastors and Sunday School Directors must put emphasis on quality for Sunday School growth.

22. Wayne Corey, Associational Church Training Director, was recognized for the Church Training Report. Mr. Corey referred to the report in the Book of Reports and emphasized the increase of 248 people with 19 churches reporting a Church Training program. Equipping Centers are being used more. Through these and other materials, Church Training is reaching the needs of the more inquisitive.

23. Mrs. Dorothy Loftin, Associational Woman's Missionary Union Director, was recognized for this report. The WMU lost members this year. This is true throughout this state and many states. Mrs. Loftin explained the "10,000 More By November 4" program was designed for each organization to enlist one new member. Reports concerning this are due November 7.

Women are beginning to respond with knee highs, money, and hair brushes for the Correctional Center Christmas gifts.

Mrs. Loftin was very proud of the reception room in the Associational Center and the part each lady had in furnishing it. She introduced Mrs. Alvirada Lee to share in more detail about the reception room.

24. Rev. Pat Kelly, Associational Brotherhood Director, was recognized for the Brotherhood Report. Rev. Kelly stated most of the work this year was done by Rev. Howard Knight.

25. The Moderator recognized Earl Haynes, representing the Baptist Children's Homes of North Carolina. Mr. Haynes shared with the messengers that the Children's Homes would be celebrating their 100th birthday in 1985. He encouraged everyone to visit the campuses of a Children's Home and see what they are doing for children.

26. The Trustees Report was called for and there was no person to respond. The written report by the Chairman of Trustees, Carl Tilghman, is found in the Book of Reports.

27. The Moderator recognized Rev. H.A. Privette for the Director of Missions Report. Rev. Privette shared the desire of the Building Committee was for him to be responsible for furnishings. After asking the Lord for His help, he chose Mrs. Alvirada Lee, Mrs. Joyce Stainback, and Mrs. Dorothy Loftin to assist him on the Furnishings Committee. November 23 is the tentative date for Open House and Dedication of the Center. The move from the old office was to take place Saturday, November 1, and helpers were needed.

Rev. Privette referred the messengers to the Summary of Digest of Church Letters in the Book of Reports and expressed his concern for the continual decline in baptisms. When we loose the desire to tell others about Christ we are too busy. "Activity is not Christianity."

28. The Moderator announced a break in the program for fellowship and the missions fair.

29. The Annual Session was reconvened by the Moderator. Dr. Hadley thanked the host church for every convenience and courtesy.

30. An announcement was made that the Campbell University Choir would be performing at Morehead City, First, Friday, October 31, and Beaufort, First Saturday, November 1.

31. Rev. John Thompson led the congregation in singing "He Lives."

32. Rev. Floyd Crompton, Chairman of the Memorials Committee, quoted "In My Father's house are many mansions: if it were not so, I would have told

you. I go to prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." Rev. Crompton led in a prayer of thanksgiving for the departed loved ones.

33. The Moderator recognized Mrs. Joyce Stainback, Chairman of the Resolutions Committee, for the report of the Resolution Committee. Mrs. Stainback encouraged the messengers to help the newly elected chairman by giving items that can be incorporated into the Resolutions. She read the Resolutions and made a motion that these be accepted as printed in the Book of Reports. This was seconded and approved.

34. The Moderator called for miscellaneous business.

Sam Branch, Chairman of the Membership Committee, presented two letters of application for membership in the Atlantic Baptist Association. These were received from Victory Baptist Church and New Hope Missionary Baptist Church. Mr. Branch made a motion that we accept these into the watchcare of the association for a one year period. This was seconded. It was decided to handle these individually.

Rev. Privette explained the location and involvement of the Victory Church in the Associational and Cooperative Program giving. He stated Rev. Joe Coggins was called as pastor and Beaufort, First, had served as the Mother Church. The vote was called for and it was accepted.

Rev. Privette shared with the messengers that New Hope was a relatively new church comprised of black members. This group has been organized into a church and has called Rev. William A. Foye as the pastor. Rev. Privette has found Rev. Foye to be very eager to learn and appreciative for the advantages and materials available from the associational office. Rev. Privette stated the New Hope Church does have a written Constitution. This church has a membership of 43 persons.

Sam Branch stated the Membership Committee was unanimously agreed to accept this church under the watchcare of the association.

Dr. Hadley stated he has known Rev. Foye for several years through the Early Risers Bible Study group sponsored at Cherry Point by the First Baptist Church of Havelock.

The Moderator called for the vote and it was approved by a very hardy unanimous vote.

35. The Moderator recognized Rev. Pat Kelly, Chairman of the Building Committee, for a report on the building. A final total on construction and paving was not available. Rev. Kelly made a motion that the Trustees be authorized to deal with the Bank of North Carolina to negotiate a permanent loan for up to $85,000. This was seconded and approved.

36. The Moderator recognized Rev. George Johnson as the Chairman of the Nominating Committee, for this report. Rev. Johnson referred the messengers to the Associational Directory in the Book of Reports. Some of these officers were voted on at the Semi-Annual Meeting in April. The positions to be filled are:

Vice Moderator - Dr. Samuel Harvey, Jr.
Treasurer - Mr. George Griffin
Parliamentarian - Dr. Donald Hadley
Historian - Mrs. Fletcher Wright
Brotherhood Director - Rev. Blair Little
Media Center Director - Mrs. Joe Taylor

The Nominating Committee recommends that the five Institutional and Agency Representatives be omitted due to the one combined State Missions Offering.

Rev. Johnson made a motion to move the adoption of this report. It was seconded and approved.

37. The Moderator recognized Rev. Clyde Baucom, Chairman, for the Committee on Committee Report. Rev. Baucom referred the messengers to the report in the Book of Reports and indicated those to be voted on. Dr. Joseph Overby was added to the Evangelism Committee as a Co-Chairman for the Central area of the association. Rev. Baucom made a motion that these be adopted. After proper second this was approved.

38. Dr. Don Hadley, Moderator and Chairman of the Executive Committee, reported the two outstanding activities of the association during the year were the building of the Associational Center and the Coastal Carolina Crusade.

39. Rev. John Thompson was recognized as the Associational Music Director. He encouraged every church to become more involved in missions through singing. "Sing some place outside the church."

40. The Moderator recognized Mrs. Stainback. She made a motion for the association to send a Book of Reports to Dr. Joe Hester in Mobile, Alabama. Dr. Hester served as Evangelism Chairman and was instrumental in the planning and coordination of the Coastal Carolina Crusade. He also served as Chairman of the Fund Raising Committee for the New Associational Center.

41. Rev. James Scales was recognized as the Chairman of the Missions Committee. He referred the messengers to the report in the Book of Reports.

42. A motion was made that all reports be accepted. There was a second and they were received as reported.

43. Dr. Hadley led in prayer.

44. Rev. Pat Kelly, pastor of Newport Baptist Church, brought the annual message using Hebrews 12:1-3 and Ephesians 5:15 and 16 as his text.

45. It was suggested that greetings from the association be sent to Mrs. Nina Dixon and Rev. A.L. Benton. A motion was made, seconded, and approved.

46. A motion was entertained to dedicate the Minutes to Mrs. Larry (Lucille) Pate who has served as Associational WMU President. This was seconded and adopted.

47. Dr. Hadley recognized Rev. Bill Voorhes as the new Moderator and commented that this position was one with little glory but rather it is a role of service.

Dr. Hadley expressed his appreciation for the Spirit of the messengers, a mere reflection of His Spirit.

48. Rev. Howard Knight adjourned the 97th Annual Session by leading the messengers in prayer.

Respectfully submitted,
Ann McDonald

REPORTS

AMERICAN BIBLE SOCIETY REPORT

Since its founding 164 years ago, the American Bible Society has offered the peoples of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with a distribution of 6,410 Bibles in 1816, the ABS has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, Portions and Selections.

In many overseas areas there were extremely encouraging increases in the number of people reached with God's Word.

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. In two of these languages the first publication was the entire New Testament.

By the end of 1979 New Reader Scripture Selections had been published in 228 languages. Translation of these booklets had been completed in 315 languages and was proceeding in an additional 84 languages.

The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 Volunteers in 1979. More than 13,000 of these Volunteers are Church Representatives who actively promote American Bible Society Scriptures and programs in their local churches. Over 2,600 Volunteers maintain Scripture Courtesy Centers in their homes or business establishments where ABS Scriptures can be purchased by the general public.

The tremendous advances achieved for the Bible cause during 1979 were made possible because of gifts received from organizations such as the Southern Baptist Convention.

But so much more needs to be done and could be done if Southern Baptists would just increase their per capita giving from $0.022 to $0.04 annually.

The ABS asks that Bold Mission Thrust be just as bold in Scripture distribution as in other areas of mission work. Only then can we be certain of having the Scriptures available that the Southern Baptists need around the world.

ANNUITY BOARD REPORT

"Achievement, Ministry and Growth"

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work," according to Dr. Darold H. Morgan, president.

Key statistical highlights in 1979 included:

1. A 13th Check amounting to 10 per cent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of $19,131,539 in retirement benefits was paid.
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $13,067,338.

4. Total assets held in trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.

5. Premium income totaled $69,548,849, including contributions and relief receipts. A total of $35,348,300 was designated for the Fixed Fund investment plan, $2,332,869 was earmarked for the Balanced Fund and $12,121,729 went into Plan A. Insurance premiums totaled $14,291,178.

6. At the close of 1979, the Board counted 22,879 church and agency member accounts in Plan A, 43,927 in the Fixed Fund investment plan, 4,934 in the Balance Fund and 3,941 in the Variable Fund.

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program.

In the Atlantic Association 26 churches and 30 staff members are participating in the retirement program. Of this number 10 are still participating on the minimum of $33.34 per month. There is a great need to upgrade this to 10% of total salary for staff members.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED, REPORT

The Baptist Children's Homes of North Carolina, Incorporated, is an Institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an in-depth evaluation of the Institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated, is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

BIBLICAL RECORDER REPORT

Faced with the same inflationary pressures that every family has these days, the *Recorder* has managed to get through another year without an increase in subscription rates. A church can still send the *Recorder* to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the *Recorder* is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the *Recorder* has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the *Recorder* informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the *Recorder* was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the *Recorder* run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place—and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the *Recorder* are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the *Recorder* to every church family. See that your church makes this move in the coming year.

BROTHERHOOD COMMISSION, S.B.C., REPORT

Mobilizing Baptist men is becoming one of the spearheads of Southern Baptists as they seek to make a reality the goal of sharing the gospel with every person in the world by the year 2,000.

Progress was evident as the Brotherhood sponsored two national lay renewal conferences and a national Royal Ambassador Congress for 2,000 boys 12-17, produced and distributed 2,200,000 copies of six missions publications for Baptist men and boys and the coordination of World Missions Conferences in

25 states which involved 175 associations, 2,318 missionaries, and attracted 1,092,861 Southern Baptists.

Locally, under Howard Knight, our Baptist Men informed our churches of the program and needs of our Baptist State Convention. Howard also attended the spring Bold Mission Conference in Ridgecrest, and upon returning, led us in our Key Leadership Conference at the associational level. My thanks to Howard for his immeasurable help.

BUILDING COMMITTEE REPORT

It is the hope of your Building Committee that our new Center will be adequate and comfortable. The Center has a conference room that will seat approximately 80 persons and can accommodate as many as four or five conferences simultaneously, a kitchenette, two office arrangements, a workroom, storage room, closets, and reception room and secretary's office combined.

Wide interest in this project has been demonstrated, thus, making our task easier and pleasurable. Gifts came from every corner of the association, assuring us of your support. Thank you for trusting us with this task so close to your hearts, and so close to the heart of Brother Privette.

We are indebted to Mrs. Alvirada Lee, Mrs. Joyce Stainback, and Mrs. Dorothy Loftin who served as our Furnishings Committee.

Our Fund Raising Committee, under Joe Hester's leadership, did an excellent job. May God bless our Center.

CHRISTIAN SOCIAL MINISTRIES REPORT

One representative from the Atlantic Baptist Association attended the Key Leadership Conference on Christian Social Ministries at Ridgecrest in May of 1980. This representative in turn led the two local conferences on Christian Social Ministries with a total attendance of six.

The need for volunteers to minister directly to the problems and needs of the lost in our association is still great. Plans are being made now for a training conference for literacy volunteers early in 1981. Watch your associational newsletter for details.

CHURCH TRAINING REPORT

Church Training is an integral part of the Bold Mission Thrust of the Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training Program is not in competition with other programs that are carried on in a church but enhance them.

The Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often, the four basic areas of study are neglected. If any of the areas are neglected the church suffers. It suffers by not having trained teachers and leaders.

There are 19 churches in our association that reported any Church Training Programs last year, involving a total of 1085 people in training.

Much enthusiasm has been created by the use of Equipping Centers, the Survival Kit for new Christians and the on-going Church Training Curriculum.

The conference held this year at Newport Baptist Church by the Baptist State Convention more than doubled the enrollment from the previous year.

Church Training is becoming a strong program in our churches and association. I ask each church to pray for the Church Training Program.

Ephesians 4:12-16.

COOPERATIVE MINISTRIES WITH GENERAL BAPTISTS REPORT

Baptist churches and associations in two state conventions in North Carolina have been challenged to experience their biggest project in history in 1982. The Joint Committee on Evangelism is working hard to lay the groundwork for an extensive statewide evangelistic effort during the year. Churches and associations are encouraged to plan interracial activities with their counterparts. Subcommittees are at work on eight basic thrusts adopted by both conventions. The theme of the revival crusade is "Here's Hope."

Pastors, moderators, and directors of associational missions have been invited to plan local activities. All Baptists are invited to attend a joint state convention in Greensboro, November 2-4, 1981.

SUMMER YOUTH PROGRAM—A total of 47 young people were appointed to serve in 21 locations throughout the state. They provided a variety of programs for 2,180 children and teenagers. Some new areas of work included the Berea Baptist Church, Pembroke; the Manson Rest Home, Raleigh; the Raleigh Housing Authority; and the Pilot Mountain Association, Winston-Salem. Seventeen of the workers attended a week of orientation at Wake Forest University.

CAMPUS MINISTRY—Some highlights of our programs with college students:

1. Sponsored 20 students to a fall BSU Convention at Ridgecrest.
2. Sponsored 5 students to the National Black Christian Leadership Conference, Atlanta, Georgia.
3. Conducted a Cultural Awareness Conference for 20 students in Raleigh.
4. Helped sponsor a black student conference at Caraway for over 200 students.
5. Sponsored 98 students to the National Baptist Student Retreat in Memphis, Tennessee.
6. Conducted a Human Awareness Conference at Pembroke State University.
7. Provided financial support for the campus ministry at North Carolina Central University, Durham.

STUDENT AID FUND—A total of $13,050 was provided for scholarship assistence (including $2,600 in matching funds) to 31 students attending ten schools.

VACATION BIBLE SCHOOL CLINICS—The department promoted and assisted with regional clinics again this year. In the future our efforts will focus on strengthening the annual clinics held by the General Baptist State Convention at the J.J. Johnson Baptist Assembly in Laurel Hill.

SEMINARY EXTENSION—Our second year with the rearranged Department of Seminary Extension with Shaw Divinity School resulted in 1,026 registrations for 45 classes in 16 centers. The first center to complete the new Certificate of Merit included 34 students in New Bern. A total of 78 centers in both state conventions continues to represent the largest statewide program of its kind in the United States.

RETIREMENT PROGRAM—Eight new members were added this year bringing the total to 33. The two conventions added $9,267.05 to membership dues as matching funds.

LITERATURE—The 6th edition of the **General Baptist Diary - 1980** was published as a joint venture with the General Baptist State Convention. The department distributed a new book entitled, **A Road to Reconciliation,** published by the Home Missions Board.

DIRECTOR OF MISSIONS REPORT

This has been an unusually good year for associational missions. There have been conferences, workshops and seminars conducted in all areas of Baptist work in the association. These have usually been well attended and we believe to be very helpful to churches that participate in them.

The associational office is centrally located in the association and people come for counsel or for instruction in many matters ranging from personal to church problems. Much time is spent in this type ministry. In most cases help is available as people get ideas and are able to follow their own thinking in solving matters that concern them or the church. Each person is encouraged to make their own decisions and follow the course that they deem best. It is found that more good can be done with people coming to the office than in time spent traveling over the field.

The churches as a whole are in good condition. Most of the churches now have pastors and these are men of good quality and training. Churches are making progress. Reports are not available at this time for evaluation but our hope is that baptisms will far exceed that of past years.

We had a very successful World Missions Conference in March that was very beneficial and resulted in two giving themselves completely for mission work. One of the notable events was the building of an Associational Center for office space and associational activities. This was finished and occupied early in the 1981 church year.

The outstanding event of the year was an Evangelistic Campaign led by Dr. Bill Penley and Lowell Leistner. Two weeks were divided between New Bern and Morehead City with 52 professions of faith and a great strengthening of the churches involved.

The usual migrant ministry was carried out. When once we had approximately twenty migrant camps, now we have only about four or five. We have churches that minister to these people while they are in the vicinity.

An outstanding ministry is the campground worship services held each Sunday morning at the campgrounds from Emerald Isle to Cedar Isle. This work is done by the local Baptist churches who do this service and return to the church for morning activities. Hundreds, even thousands of people, heard the Word preached this year from Easter through Labor Day.

One church, the Victory Baptist Church on Hibbs Road in Carteret County, was organized. A mission was begun at Broad Creek. There are some churches now looking toward beginning missions in needy parts of the association. We need seven or eight new churches begun in the association right now.

A continuing service is the Time Out for Mothers program that cares for children one morning a week while mothers have some relief from cares and a little time for freedom. This program is presently in jeopardy because of the lack of workers sufficient to staff it. A special word of thanks to the wonderful women who take the time to maintain this program.

I want to thank all of you, the fine pastors, the churches of the association and the wonderful people in this area that contribute to a successful ministry and help make this ministry a joy. Thank you!

Respectfully submitted,
H.A. Privette

EXECUTIVE COMMITTEE REPORT

The 1979-80 year has been an active one for the churches of the Atlantic Baptist Association.

This activity has proceeded smoothly, by the grace of God, under the faithful supervision of our associational Director of Missions, Rev. Henry Privette, and the management of the associational Executive Committee. The Executive Committee has met four times during the year to monitor and guide the affairs of the Association.

Official action by the Executive Committee in chronological order is as follows:

The following resolutions of appreciation were proposed and approved: "Inasmuch as James Hartley (Chairman), Elois Weinhold, Betty Cox, Dorothy Loftin, Robert Burgess, and Robert King, Jr., have served faithfully on the long range Program Planning Committee, the Missions Committee moves this resolution of appreciation and that notation of this appreciation be recorded in the minutes of this meeting.

"Inasmuch as Pat Kelly (Chairman), George Griffin, Frank Atkinson, Raymond Earp, and James Chance are serving faithfully on the Building Planning Committee, the Missions Committee moves this resolution of appreciation and that notation of this appreciation be recorded in the minutes of this meeting."

EVANGELISM COMMITTEE REPORT

The 1979-80 year has been a year of evangelistic emphasis in the life of our association churches.

The evangelism chairman attended the Key Leadership Conference at Ridgecrest, and led two training sessions in the Association.

A Discipleship Workshop was offered to all associational churches, February 15 and 16. In addition the Chairman (Dr. Joe Hester) gave a discipleship workshop for a local church.

The big evangelistic event of the year was the Coastal Carolina Crusade, September 14-28, led by Bill Penley and Lowell Leistner. Fifty conversions were registered at these meetings. The Crusade budget was met and a generous love offering given.

All Baptists are urged to participate in the Joint Statewide Evangelistic Crusade in 1982. The theme will be "Here's Hope." Interpretation Meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 Joint Crusade effort, which is co-sponsored by the Baptist State Convention of North Carolina and the General Baptist State Convention. The Simultaneous Revival dates for the three areas of our state are: Coastal—March 14-28; Piedmont—April 4-18; and Mountain—April 25-May 9, 1982. Every church is encouraged to plan a revival meeting during one of these suggested dates. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

"Bold Witnessing Churches" was the theme of the 34th Statewide Evangelism Conference, February 4-5, 1980, at First Baptist Church and War Memorial Auditorium, Greensboro. Eight practical Evangelism Conferences, related to helps for growing churches and discipling members, were held during the first afternoon session at the First Baptist Church, Greensboro.

About 2,400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic, encouraging church leaders to plan specific, on-going programs of evangelism in the local church, with the use of the notebook, **Bold Evangelism through the Local Church.** The other associations in our state are asked to plan a Bold Evangelism Clinic this fall or next spring. Also, every church is urged to enlist a Local Church Task Force on Evangelism to involve more members in direct witnessing to unsaved persons.

New materials on Lay Evangelism Schools prepared by the Evangelism Section of the Home Mission Board, are now available for use by our churches. The Lay Evangelism School is a one-week effort to train youth and adults to become more effective witnesses for Christ to the lost.

Evangelism Clinics for bi-vocational pastors are now being held across the state to assist pastors of rural-small churches, and churches with no baptisms in practical ways of evangelism planning to involve members in witnessing.

Thousands of youth were involved in the 10th Statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. A Discipleship Seminar was held during the afternoon session at Immanuel Church. We thank God for the hundreds of youth who have made various decisions for Christ during this ten year period.

The 35th Statewide Evangelism Conference will be held in Asheville during February 2-3, 1981.

Don Hadley for Dr. Joeseph Hester

EDUCATION COMMISSION, S.B.C., REPORT

The year has been a time for emphasis upon education and bold missions. The National Conference on Bold Christian Education and Bold Missions held in June, 1979, established the pattern for emphasis for the year.

The year has also brought the recognition that the new and stringent demands of our world and society require spiritual, intellectual, and moral commitment from the various Baptist schools. The rapidly developing technology and growth of human knowledge require a new emphasis on excellence in learning.

The Education Commission during this year also led many of the colleges supported by state conventions to participate in the National Congress on Church-Related Colleges and Universities. The first meeting of the National Congress was held in South Bend, Indiana, on June 20-23, 1979, and the second meeting was in Washington, D.C., on February 1-2, 1980.

The emphasis on educating for missions during the past year has continued the close cooperation between the Education Commission and the Association of Southern Baptist Colleges and Schools with the Foreign Mission Board, the

Home Mission Board, the Brotherhood Commission, and the Woman's Missionary Union.

A continued major emphasis has been the faculty and staff registry service. A major thrust of the registry service is to secure dedicated Baptist faculty for all institutions. This was implemented by visits to 20 schools where contact was made with 166 faculty members and 743 prospects and/or students. A total of 566 new people were added to the registry service during this year.

The Commission has worked through its Denominational Relations Committee by giving special emphasis on better communications with pastors and denominational leaders. The staff has prepared statistical summaries for the annual report to the Convention including enrollment, the number of church-related volunteers in preparation, endowment, property value, and the amounts received from the various state conventions.

Liaison with the United States Office of Education, other denominational boards of higher education, and national educational organizations are an important factor in the Commission's work. Leaders of church-related and independent higher education by joint effort were able to influence during the current year congressional legislation which greatly affected denominational educational efforts.

HISTORIAN'S REPORT

Sometimes facts are awfully dull but they are proof, nevertheless, of what we are doing, whether good or bad. In the case of the Atlantic Association and the activities of the churches within the Association, good reports continue to come in.

One of the most exciting events is that as of this printing, the Associational Center is ready for the Director of Missions and the Associational Secretary to move in. This has been a vision of many people for a very long time.

The Coastal Carolina Crusade was held in September with services being held one week in New Bern and one week in Morehead City. It was truly a joint effort by all the churches and there were over 50 professions of faith and many rededications. The Crusade was led by Bill Penley Evangelistic Association.

A rally was held in the Association to commemorate the 150th anniversary of the N.C. Baptist State Convention.

A World Missions Conference was held in March with volunteers for missions making commitments during this mission emphasis. Speakers from all areas of Baptist Mission Work were represented among our churches.

New pastors came into the association and some left to go on to other areas of work. Yet, the missionary vision of the churches and the association continues to move forward. Each church reaching new milestones both spiritually and physically. Below are some of the accomplishments of the churches in the Atlantic Baptist Association:

FIRST BAPTIST, AURORA purchased a trailer to use as a pastorium.

BAYBORO purchased the lot adjacent to the church.

CALVARY CHURCH moved into its new sanctuary.

CAPE CARTERET has completed a compilation of historical events of the church; ordained a Deacon; and, are 38 months ahead of their debt retirement.

COLONY BAPTIST held dedication services for the new educational building.

HAVELOCK FIRST purchased property on Hollywood Blvd.

NATIONAL AVENUE called Rev. Clyde B. Case, Jr. as pastor; James Kennie was ordained as Deacon; and, a Coffeehouse Ministry was begun in August in the church annex.

NEWPORT BAPTIST CHURCH ordained Bruce Hill to the Gospel Ministry, and he is serving as pastor of Davis Baptist Church, Davis, N.C.

NEW TESTAMENT MISSIONARY BAPTIST CHAPEL of Newport was begun on August 24, under the direction of the Atlantic Baptist Association.

ORIENTAL purchased a new piano in memory of G.P. Midyette, Jr.

SEALEVEL paid off debt of parsonage and installed new storm doors for the church.

TABERNACLE opened youth center for mission and youth activities and installed pew cushions and recarpeted sanctuary.

TEMPLE CHURCH celebrated its 25th anniversary. The Baptist Men started a ministry to the Senior Citizens of Westwood Arms. Temple Church was chosen as pilot church for Masterlife Program.

VICTORY CHAPEL called its first full-time pastor on June 1, 1980 and the church was organized on August 3, 1980. It is now known as Victory Baptist Church, Newport, North Carolina.

Many of our churches are not listed. This does not mean that there were no accomplishments this past year. It just means that no record of their accomplishments were recorded on the annual church letter.

In closing, I must note with sadness, there was one event that happened this past year that shall affect many of us and that is the passing of Mrs. Lucille Pate. Woman's Missionary Union in the Atlantic Association would never be what it is today if it were not for the dedication of Mrs. Pate. She was faithful to her Lord, her church and to the Atlantic Baptist Association.

Respectfully submitted,
Mrs. Fletcher Wright

MISSIONS COMMITTEE REPORT

The Missions Committee functions in a close relationship with our Director of Missions in helping our churches to discover the many opportunities of missionary endeavors throughout our area.

There are several new mission points that are under consideration at this present time. A survey is planned by some of the churches in some of these areas in the near future.

The migrants and resort areas continue to be a tremendous outreach. Several of our churches are faithful to these ministries. This ministry needs to be expanded to include some areas not now being reached.

The Committee received applications for pastoral aid and lot aid from the Baptist State Convention. After studying the requests they were brought to the Executive Committee for appropriate action.

In order to solve the problem of budget allocation we requested that Committee chairmen submit their financial needs to the Budget Committee for year 1981 and following, by June 1. This will give the committee some guidance in preparing the budget.

Our new associational office is just about completed. This is a dream come true. We are grateful to the Building Committee for their fine work. We hope to have the dedication soon.

Respectfully submitted,
James R. Scales, Chairman

MUSIC REPORT

Another associational year is upon us and we need to be making plans for the music program in our churches. We all know the importance of music in our services. The whole purpose of music is to prepare the people for the message that the Lord sends through our pastors. The only reason that we have music in our lives is to help others to see that they need Jesus to come into their life. It is important to live the songs you sing. Remember that when you are singing praises unto the Lord...you should look like you mean every word and then you should act like you mean every word.

If I can be of any help to you in your church...feel free to call on me. I have already given several "one-night" workshops in some of our churches. I want to personally thank you for the response you gave to help make the Crusade Choir a success. I plan for us to have some more "Praise Sings" in the coming year. There were five churches represented in our Associational Music Day Camp in August. I wish many more of our churches could have been present. It was a meaningful experience. I believe that the one thing all of our churches need to work on is getting the congregation to sing out more. Let's make this a goal this coming year...reach more people through singing.

Musically yours,
John Thompson, Jr.

NORTH CAROLINA BAPTIST FOUNDATION, INC., REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through wills, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

NORTH CAROLINA BAPTIST HOMES, INC., REPORT

Ministry to an older person is a ministry as unto Christ Himself, and it is people like Mrs. Tillie Crabtree who make it all worth it. Mrs. Crabtree, a resident at Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank You" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes from her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry—Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes—through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptists for all that you are, and for all that you do for them.

Respectfully submitted,
W.A. (Bill) Poole

ORDINATION COMMITTEE REPORT

The Ordination Committee met December 22nd, 1979, and February 18th, 1980, at Newport. We interviewed John Hamilton, Darrell Sanders, Andy Weeks and Bruce Hill as candidates for Ordination to the Gospel Ministry. After careful questioning, the committee recommended each man for ordination when their church was ready. Minutes of each interview are recorded in the associational office.

Respectfully submitted,
Pat Kelly, Chairman

RESOLUTIONS COMMITTEE REPORT

Whereas we have met for the 97th Annual Session of the Atlantic Baptist Association and have reflected on the work accomplished through our Association over the past year, be it resolved:

(1) That we bow in humble submission before our Heavenly Father for all the blessings bestowed upon us during the past year.

(2) That we express our sincere appreciation to Dr. Donald Hadley who has faithfully served as the Moderator.

(3) That we express to our Director of Missions, each pastor of the association, church staff members, each officer of the association, our lay people, appreciation for their stewardship in God's work and for their dedicated leadership.

(4) That we are deeply grateful to the host churches, Havelock, First, and Morehead City, First, for providing their facilities for our meetings, for the warmth and fellowship we felt from the members.

(5) That we recognize the great effort made by our institutional representatives to be with us, to share the work that we are a part of.

(6) That we offer sincere thanks to the Reverend Pat Kelly, Chairman of the Building and Planning and the members of the committee for the completion of the Associational Center bringing to pass the dreams of our people a building for the Glory of God and to Dr. Joseph Hester who led in the raising of funds for the Center and made arrangements for securing loans to cover the cost of building and furnishings.

(7) That we give a standing ovation to Mrs. William Loftin, Associational WMU Director, to Mrs. Ray Stainback, and to Mrs. W.D. Lee, Sr., Chairman of the Furnishings Committee for the Associational Center. Mrs. Loftin led the Associational WMU in raising money to furnish the reception room of the new center and Mrs. Lee gave many long, unselfish hours in searching for appropriate furniture. Because of her dedication to the task the Center is a creation of great beauty to be used for the Glory of God near us and around the world.

(8) That we wish to thank the pastors for the vision to lead in an evangelistic effort, the Coastal Carolina Crusade, also the musicians, the people who came each evening, for the gifts of money, and the outpouring of deep faith that was shown by all. To God be the Glory!

That we wish to extend a special thank you to Dr. Joseph Hester for his leadership in planning the crusade and to Dr. Donald Hadley for assuming the leadership when Dr. Hester accepted a call to Cottage Hill Baptist Church, Mobile, Alabama.

Furthermore, be it resolved that we depart from these hours together with a greater zeal toward being God's people and helping to carry out His plan for the ages, lifting each other in prayer and live daily knowing that the Almighty Father will give the final victory.

SOUTHWESTERN BAPTIST THEOLOGICAL SEMINARY REPORT

Growth and progress in every major area of life at Southwestern Baptist Theological Seminary were characteristics of the 1979-80 academic year, according to the institution's annual report to the Southern Baptist Convention.

The seminary enrolled a record 4,336 students during the year, including a record 1,449 first-time students. The cumulative enrollment was a 4 per cent increase over the previous year and included 3,587 men and a record 749 women.

Southwestern continued to operate off campus centers in Houston and San Antonio, Texas, and Shawnee, Oklahoma. A new doctor of education degree study center was started in Nashville, Tennessee. Enrollment at these centers was 299, also a record.

Five additional faculty members were elected to accomodate the record enrollments, and two were elevated to the full time faculty. In addition, three new degree programs and seven new courses were added to the curriculum. The degree programs offer inter-disciplinary study among the seminary's Schools of Theology, Religious Education and Church Music.

A World Missions/Church Growth Center was established and approved by the board of trustees. R. Cal Guy, Bottoms Professor of Missions, was named founding director of the center.

The seminary's Eight by Eighty fund raising campaign reached its initial goal in June and topped the $9 million mark before completion. The funds are being used for endowment and capital improvements.

The seminary budget was a record $8.4 million. Endowment reached $13.9 million, and the seminary's total assets were more than $42 million at the close of the fiscal year.

The seminary continued to enlarge and renovate campus facilities to meet the growing demands of high enrollments. Construction began on 44 new apartments in the student housing village, with completion of the project expected in the summer, 1981.

Preliminary planning continues for the new library/resource center, with construction expected to begin during the 1980-81 academic year.

TRUSTEES REPORT

The current Board of Trustees for the Atlantic Baptist Association are Carl L. Tilghman, Chairman, M.E. McNeil, member, and John Watts, member. The Trustees are the legal title holders for Associational property. They hold title to the real estate now owned by the Association and have obligated the Association for the construction mortgage of the new Association Center.

In September, 1980, we met concerning a request for the purchase of a small portion of the Associational property by the adjoining landowner and the matter was discussed before the Executive Board but no action was taken.

Respectfully submitted,
Carl L. Tilghman, Chairman

WOMAN'S MISSIONARY UNION REPORT

It has been our pleasure to serve the Lord through the Associational W.M.U. Getting to know so many of you is very rewarding. Our great concern is that we aren't reaching and teaching more of you. **Please** contact us if we can be of help to you.

We hope you were aware of, and participated in, most of the following activities of the Associational W.M.U. leadership this past year:

-Leadership conferences conducted after officers attended the Mundo Vista workshops.

-Gifts (scarfs) sent to the N.C. Correction Center for Women. **(Thanks for all you did.)**

-Baptist Women, Baptist Young Women Overnight Prayer Retreat.

-Acteen Overnight Retreat.

-Girls-in-Action, Mission Friends leaders workshop.

-$2,221.01 given for furnishing the reception room for the new building. **(Thanks again for all you did.)**

-Four quarterly executive committee planning and sharing meetings. (We voted to begin the ingathering of money with your help toward the purchase of an associational van.)

Out of 36 churches and one mission we have 33 W.M.U. reporting with a total of 1410 members. We hope with your help to see an increase in these numbers next year.

The following are the Minutes of the Annual Associational W.M.U. Meeting:

The 74th Annual Session of the W.M.U. of the Atlantic Association met May 6th, 1980. The day meeting was held in the First Baptist Church, Morehead City.

The meeting was presided over by the Director, Mrs. Dorothy Loftin. The topic, "Why Change My Life-Style" was used throughout the meetings.

Mrs. Ferrell, B.Y.W. Director of the host church, extended the welcome to us and gave directions. She started by saying, "This is the day the Lord has made."

Morehead City First Church reported having crowned two Queens in recognition of achievements.

A motion was made and carried that the Associational W.M.U. raise money to furnish the reception room in the new associational office.

Those appearing on the program were Mr. and Mrs. Bob Kellner who directed the music, Mr. and Mrs. H.A. Privette, Mrs. Gretchen Overby, Dr. Corbin Cooper, Mrs. Toni Cullum, and Miss Nona K. Bickerstaff.

The meeting adjourned to be reopened at 7:30 in the First Baptist Church, Havelock. The program was the same as the day session with the exception of the presentation of the flags by the Acteens of the association under the directions of Mrs. Kathleen Dixon.

Mrs. Dorothy Loftin presided over both meetings.

Meeting closed with prayer.

Respectfully submitted,
Dorothy Loftin, Director
Alvirada Lee, Secretary

YOUTH REPORT

Ministries for Youth in the Association included Associational Youth Night, March 8, 1980. The program consisted of mini-seminars for youth lead by visiting Baptist Home and Foreign missionaries.

The Youth also played an important part preparing for and conducting the Coastal Carolina Crusade, August 14-28. Under the leadership of Kay Kanouff and Buford Lewis, youth activities were planned and carried out in Eastern and Western parts of the Association respectively. Emphasis was placed on the Youth being involved in prayer. Each end of the Association held a series of prayer meetings, culminating in a "Prayer Explosion" where many of the Youth from churches in the Eastern and Western end met for prayer and planning.

The Youth helped in promoting and inviting the community to the Crusade by passing out literature in their communities in "Operation Doorstep." Several Youth blessed and encouraged us by sharing their personal testimonies on the two Youth nights of the Crusade.

Respectfully submitted,
Buford R. Lewis, Youth Director
